

I have been on the North Fork Board of Education since January 2014. I have lived in the North Fork community all my life and can think of no other place I would rather be. I currently live in McKean Township with my family. I married Jeremy, who is a 1991 graduate in 2004; we have two children, a 2018 graduate and an eighth grader at Utica Middle School.

I am a strong believer in service to others and am very involved in Utica LaSertoma, Newton Elementary PTO, The Utica Athletic Boosters, McKean Little League, and a member of the Utica American Legion Auxiliary. I enjoy spending time with my family and friends, and attending activities my children are involved in, and cheering on our Utica Redskins.
