

I live in the North Fork School District and graduated from Utica High school in 1995. I currently live in McKean township with my family. I married Jeremy, who is also a 1991 graduate of Utica High School, in 2004; we have two children who currently attend North Fork Schools.

I am currently a consultant with an insurance company. I am very involved in Utica LaSertoma, Newton Elementary PTO (where my youngest son attends), The Utica Athletic Boosters and McKean Little League (North Fork Youth Baseball). I enjoy spending time with my family, friends, attending activities my children are involved in, and cheering on our Utica Redskins.
