

Call for Gifted Artists, Dancers, Actors, and Musicians

The Licking County Gifted Department of the Licking County Educational Service Center is requesting nominations for potential gifted identification in the **Visual and Performing Arts areas of painting, sculpting, drawing, vocal music, instrumental music, dance, and/or drama**. According to Ohio law and district policy, students in Kindergarten through twelfth grades may be nominated for assessment for gifted identification. Parents, teachers, or students themselves may nominate possible candidates for evaluation. Forms are available from the district office, school office, or on the Licking County Educational Service Center's website at www.lcesc.org. All nominations must be received at the Licking County Educational Service Center office by **Friday, October 27, 2017**.

Once nomination forms are received, the screening process will begin. Additional information will be sent to parents of nominated students in mid-November. Between the months of November and February, nominated students will be evaluated using a checklist of gifted behaviors and for those who earn a qualifying score, will proceed to a demonstration of the student talent in the fine arts. Should you have any questions, please contact the LCESC Gifted Department at 740-349-6084. Thank you!
