Our Ohio State Assessment schedule is now set for third, fourth and fifth grade. We feel it is important to release this information early, so appointments or vacations can be scheduled around your child's testing dates. We understand that unplanned absences occur, but it significantly benefits a student to test with their classmates as opposed to being pulled during instructional time to assess with other grade levels.

\*Non-testing days will be used as make-up days in the event of absences, technical difficulties or an unforeseen emergency.
