SUPERVISION OF STUDENTS WHEN SCHOOL IS IN SESSION

Supervision begins within the building when the student enters the building at 9:00 a.m. Supervision ends for students who are signed out by the parents or their designee during the school day or at dismissal. Supervision of students who ride the morning bus begins when the students board the bus. The supervision of the students who ride the afternoon bus ends when the students exit the bus to their designed drop off point. Parents assume responsibility for supervision of their child at the bus stops (before they board the bus and after they exit the bus). For students who do not ride the bus, the parents assume responsibility for the supervision of their child until he/she enters the building at 9:00 a.m. and end of day dismissal. School staff will supervise the students for any school-related activities during the school day (this includes field trips). The school staff will also supervise the students involved in school-sponsored after school activities. Once the after-school activity is over, the parents/guardian assume the responsibility to provide transportation and supervision of their child.

TRANSPORTATION

The purpose of school bus transportation is to deliver students to and from school. Transportation will be to and from the student's home or pick-up point and school ONLY. Upon dismissal, all students are expected to board their buses. Permission must be granted by the office with a note from both parents to ride an alternate bus. Permission may be denied due to bus spacing.

MORNING DROP OFF PROCEDURES

- All cars must be in line and stay in line. Please do not pass other vehicles.
- Do not park and send your children across the parking lot.
- Please ensure students exit your vehicle promptly and onto the sidewalk.

- Please keep the lines moving. Do not wait for your child to enter the building. There is a staff member on duty making sure your child gets into the building safely.
- Please do not drop students off before 8:55 a.m. when staff are officially on duty.

AFTERNOON PICK UP PROCEDURES

- All cars must be in line and stay in line. Please do not pass other vehicles.
- Staff members will assist students in their cars, if needed.
- For safety reasons, please remain in your vehicle during pick up and have your car sign clearly displayed. If you are in need of a replacement or additional car sign, please contact the office. Your student will be brought to you when you are parallel to the sidewalk.
- Please do not wave your student into traffic. Staff members will stop them.
- Please obey posted speed limit/traffic pattern signs.

STUDENT PICK UP PROCEDURES

During the school day: Anyone picking up a child during the school day must come to the office and sign the child out. Someone other than the parent must have your written permission before we can release the child. Please notify the office staff of any changes to the normal pick up plan as soon as you are aware of the change. We ask that you call the school by 2:45 p.m. with end of the day changes. All student pick-up policies are for the protection of your child and in no way are intended to infringe on your rights. If you have not done so recently, take a moment today and discuss with your child the dangers of going with strangers. Make them aware that it is all right to say, "I don't know who this is" or "Mommy said not to go with them." While child abduction is not a pleasant topic, it is a reality. We all hope it never happens to your child: an ounce of prevention or precaution may be immeasurably valuable. *Note: Anyone picking up a student(s) may be asked for a photo ID, if the staff member involved is not familiar with the person picking up the child. If you are sending someone to pick up your child/children, please make sure they know this procedure.

WHEN WALKING, IF A BUS APPROACHES, ALL STUDENTS MUST STOP AND LOOK AT THE DRIVER UNTIL THE BUS PASSES OR STOPS, BOTH IN THE MORNING AND AFTERNOON SCHOOL BUS SAFETY RULES

PENALTIES FOR INFRACTIONS

A student who becomes a behavior problem on the bus shall be disciplined in accordance with the Student Discipline Code and may be deprived of the privilege of riding on the bus. The Board of Education has authorized the installation of video cameras on school buses for purposes of monitoring student behavior. If a student is reported to have misbehaved on a bus and his/her actions were recorded on videotape, the tape will be submitted to the principal and may be used as evidence of the

misbehavior. The driver will report misconduct in writing to the principal. Violation of the rules will generally result in a warning, or a bus suspension. *Extreme offenses* may result in removal from the bus, school suspension or expulsion even if on the 1st offense.

RIGHTS AND RESPONSIBILITIES

In public schools, parents and students have certain rights given by federal and state laws. The North Fork Board of Education adopts guidelines and policies based on the federal and state laws. Student safety is a responsibility of the students and staff. All staff members are familiar with emergency procedures such as fire, tornado, and lock-down drills as well as accident reporting procedures. Should a student be aware of a dangerous situation or accident, s/he must immediately notify a staff member.

STUDENT RIGHTS AND RESPONSIBILITES

The rules and procedures of the school are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights to freedom of expression and association and to fair treatment. Disciplinary procedures are designed to insure due process (a fair hearing) before a student is removed because of his or her behavior.

Students are responsible for:

- Following teacher directions and obeying all school rules.
- Delivery of information to Parents/guardians about academics.
- Arrive on time and be prepared to participate in the educational program.
- Report any issue or problem that concerns your education or safety.
- Read and Understand the entire student handbook.

PARENTS RIGHTS AND RESPONSIBILITES

- Parents have the right to know how their student is succeeding in school and will be provided
 information on a regular basis and as needed. Many times, it will be the responsibility of the
 student to deliver that information. If necessary, mail or hand delivery may be used to insure
 contact. Parents/guardians are encouraged to build a two-way link with their student's teachers
 and staff by informing the staff of suggestions or concerns that may help their student better
 accomplish his or her educational goals.
- Check Progress Book and attendance
- Communicate to teachers through email, phone or conferences
- Read and understand the entire student handbook
- Use the online portal to fill out forms, emergency medical and PaySchools to pay for lunches and fees.
- Parents may sign up for One call to receive notifications via, email, phone & text.

EQUAL EDUCATIONAL OPPORTUNITY ACT (B.O.E POLICY 2260, 5517, 5517.01)

It is the policy of this district to provide an equal opportunity for all students. Any person who believes that the school or any staff person has discriminated against a student on the basis of race, color, creed, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the District, or social or economic background, has the right to file a complaint with the principal. Complaints will be investigated and a response provided to the person filing the complaint. Under no circumstances will the District threaten or retaliate against anyone who raises a complaint.

INDIVIDUALS WITH DISABILITIES

The Americans' with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities. The North Fork Local School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Improvement Act (IDEA). A student can access Special Education services through the proper evaluation and placement procedure. Parent/guardian involvement in this procedure is required. More importantly, the school wants the parent/guardian to be an active participant. To inquire about the procedure or programs, a parent/guardian should contact the Special Education Coordinator, Doug Lunsford.

DIRECTORY INFORMATION NOTICE

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that North Fork Local Schools, with certain exceptions, obtain parental/guardian written consent prior to the disclosure of personally identifiable information from their student's education records. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local education agencies (LEAs) receiving assistance under the Elementary and Secondary Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephones listings – unless parents/guardians have advised the LEA that they do not want their student's information disclosed without their prior written consent. If parents/guardians do not want North Fork Local Schools to disclose directory information from their student's education records without prior written consent, they must notify the District in writing.

DUE PROCESS

Before a student is suspended, the student has the right to Due Process by receiving written notice of the reason for the intended suspension and have an opportunity for an informal hearing.

Before a student is expelled, the student and the parents have the right of Due Process by receiving written notice of the reason for the expulsion and an opportunity for a formal hearing.

In both instances, parents will be given the opportunity to challenge the disciplinary actions.

PARENT COMPLAINT

Parents wishing to file a complaint about a school employee may obtain a "parent complaint" form from the school office or on the District's web site. After the form is completed and submitted to the building principal, the process of solving the complaint will begin. Before a complaint is filed, please try to resolve the issue with the teacher through communication.

STEPS TO ADDRESS CONCERNS

Step #1: Contact the Teacher

Many problems can be solved by talking with the teacher first. This can be done via the phone, send a letter, or scheduling a conference with the particular teacher. Many teachers use school-based social media such as Remind, Class Dojo, and Blooms to establish direct lines of communication. Look for information sent home by teachers at the beginning of the school year for their class app. If the problem cannot be resolved to your satisfaction, then proceed to the next step.

Step #2: Contact the School Principal

Using the criteria from step number one, seek a conference with the building principal. If the complaint/concern is still unresolved, proceed to the next step.

Step #3: Contact the Superintendent

After discussing the problem with the superintendent, if a satisfactory course of action has not appeared to happen then proceed to the next step.

Step #4: Contact the Board of Education

If your complaint/concern has not been resolved to your satisfaction after progressing through steps #1-3, you may bring your complaint/concern to the Board of Education. Regularly scheduled board meetings are held monthly.

VISITORS

All adult members of our community are welcome to visit the school. To avoid interruption of the educational process, students are *not* permitted to bring visitors to school. State law requires any person visiting the school to report directly to the office and secure a visitor's pass. Teachers have an assigned period of time when conferences can take place. Any conference with teachers should be scheduled in advance. Parents/guardians must report directly to the office upon entering the building, identification is required. 24-hour notices of classroom visits are preferred.

WITHDRAW OR TRANSFER

If a student plans to transfer from North Fork Local Schools, the parent must notify Record's Clerk or the secretary. School records shall be transferred within fourteen (14) days to the new school district.

STUDENT RECORDS

The teachers, counselors and administrative staff keep many student records. There are two basic kinds of records—directory information and confidential records. A confidential records request can be made available upon request from a parent, guardian or a Records Control Officer in writing within five (5) business days from the date of this notification. Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents/guardian, the adult student, or a surrogate. Included in the confidential records may be test scores, psychological reports, behavioral data, disciplinary actions and communications with the family and outside service providers. The school must have the parents'/guardians' written consent to obtain records from an outside professional or agency. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the parent/guardian through the originator and parents/guardians should keep copies of such records for their home file. Parents/guardians may also provide the school with copies of records made by non-school professional agencies or individuals. Students and parents have the right to review educational records generated by the school district, request amendment to these records, insert addendum to records, and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is wanted, please contact the counselor, in writing, stating the records desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions there may be.

CHILD CUSTODY REGULATIONS

In cases of divorce/separation, a copy of the portion of the decree/separation agreement or court order, which stipulates the custodial/residential provisions, must be provided to the school. Until this legal record is provided, the noncustodial parent has the same legal rights as the custodial parent. It is extremely important that we receive the proper legal paperwork. This information will assure that the school is releasing the student to the proper person. All custody information will be kept confidential. If there are changes in custody or visitation, it is the parent's responsibility to notify the school.

CONFIDENTIAL RECORDS

Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents or the adult student. The only exception is to comply with State and Federal laws that authorize the release of such information without consent.

PARENTAL ACCESS TO RECORDS

- 1. Parents requesting access to their child's records must be granted access within 45 days of the request.
- 2. Parents have the right to receive copies of their child's record. The school may charge the actual cost of duplicating the record.
- 3. Parents have the right to a response from school officers to reasonable requests for explanations and interpretations of those records.
- 4. A divorce or change in custody does not change the rights of a natural parent to their child's records.
- 5. A non-custodial parent may request and receive a copy of the child's report card, the permanent records, and the opportunity to hold a teacher conference. Only the custodial parent has the right to make educational decisions regarding the child.
- 6. Stepparents have no rights to records, reports, or conferences unless these rights are conferred on them in writing by the custodial parent.

OUTSIDE AGENCIES

The school cooperates with social agencies (i.e. Children's Services, Sheriff's Department, etc.). If an agency official comes to school to interview a child, a school representative must be present. School employees are required by law to report suspected child abuse.

FIRE, TORNADO AND SAFETY DRILLS

The school will comply with all fire safety laws and will conduct drills in accordance with state law. Specific instructions on how to proceed will be provided to students by their teachers who will oversee the safe, prompt, and orderly evacuation of the building or practice of the drill.

Tornado drills will be conducted during the tornado season using the procedures prescribed by the State. The alarm system for tornados is different from the alarm system for fires and consists of a tone and public address system.

A Lock down drill will be conducted in accordance with federal and state guidelines. A lock down drill involves a practice drill for situations such as a threat to the school involving an act of terrorism, a person possessing a deadly weapon or dangerous ordinance on school property, or other acts of violence of safety concern.

STUDENT HEALTH

IMMUNIZATIONS

Students attending school are required to have proof of immunizations against Meningitis, diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hepatitis, chicken pox, tuberculosis testing (if enrolling from a foreign country), and any other immunization required by Ohio law and Board policy. Those students not providing proof of required immunizations or a completed and signed Immunization Waiver Form within fourteen (14) calendar days of school attendance will be subject to exclusion. Any questions about exemptions or immunizations should be directed to the District Nurse.

INJURY/ILLNESS

Injuries must be reported to a staff member or the office staff. If minor, the student will be treated and may return to class. If medical attention beyond the school staff is required, the school emergency procedures will be followed. A student who becomes ill during the school day must request permission from the teacher to go to the office. The office staff or school nurse will determine whether or not the student should remain in school.

EMERGENCY MEDICAL AUTHORIZATION FORM

State law requires that all students must have a completed Emergency Medical Authorization Form signed by a parent/guardian on file in the school office. Failure to turn in forms may result in the student being excluded from school within 14 days. Notify the school if any telephone numbers, address or contacts have been added or changed during the school year. No student will be released from school without parental permission unless a serious or life-threatening condition warrants transportation to an emergency room. A reasonable attempt to contact the parent/guardian prior to transport will be made. If a parent/guardian is not present to ride with the student in the emergency vehicle, a school staff member will accompany the student and meet the parent/guardian at the hospital.

CONDITIONS THAT MAY REQUIRE EXCLUSION FROM SCHOOL

The Ohio Department of Health has provided specific guidelines for preventing the spread of highly contagious infections in the school environment. These guidelines are meant to protect your student and others from unnecessary exposure to infectious or communicable organisms. If these conditions are found or suspected by school staff, a parent/guardian will be contacted to take the student home. A student should not be in school if any of the following conditions are present:

- Any contagious bacterial or fungal infection until treated with antibiotics for at least 24 hours including, but not limited to, strep throat, conjunctivitis, ringworm, skin infections or scarlet fever.
- Fever of 100.4 degrees or higher within 24 hours.
- Undiagnosed redness and secretions from the eye(s)
- Vomiting or diarrhea within 24 hours
- Head lice

NO NIT POLICY

North Fork has a no nit policy which all buildings must follow, and requires the exclusion of all students with lice or nits. Families will be asked to treat the lice and remove all nits before readmission to school. Parents will be asked to bring the child to the appropriate personnel to be checked before returning to school.

USE OF MEDICATIONS

The North Fork Board of Education shall not be responsible for the diagnosis and treatment of student illnesses. The administration of prescribed medication and/or medically prescribed treatments to a student during school hours will be permitted only when authorized by a physician or licensed prescriber. For the safety of our students, the transportation of all medication and medical supplies to and from school is the responsibility of the parent/guardian. Medication may not be transported on the bus. Any medication or medical equipment remaining at the end of the school year will be discarded one week after the last day of school.

For the purposes of this policy, "prescribed medication" shall include all medicines prescribed by a physician or licensed prescriber. Non-prescription medications shall include all age and/or weight appropriate over-the-counter drugs, preparations, and/or remedies. "Treatment" refers both to the manner in which a medication is administered and to health-care procedures that require special training, such as tube feedings and catheterizations. Students must stay in office and take medication in the presence of a staff member.

PRESCRIPTION MEDICATIONS

Before any prescription medication or treatment may be administered to any student during school hours, the North Fork Board of Education requires the student's physician/licensed prescriber and parent/guardian to complete a Medication and Treatment Authorization Form. This form is to be renewed each school year. This document shall be kept on file in the school office. Prescription medication must be in the original container, labeled with the date, student's name, prescriber's name and exact dosage. Staff designated by the superintendent and or District Nurse may administer prescription medication or treatment as authorized in writing on the authorization form by a physician/licensed prescriber and parent/guardian. All prescription medications must be stored and locked in the school office. However, students shall be permitted to carry and use an asthma inhaler or Epi-Pen with prior written permission from parent/guardian and licensed prescriber as indicated on the Medication and Treatment Authorization form. All medications are to be provided by the parent/guardian and may not be transported on the bus.

NON-PRESCRIPTIONS/OVER-THE-COUNTER MEDICATIONS

All medications must be provided by the parent/guardian and will be stored in the school office and administered by authorized school personnel or the child's parent/guardian only. The North Fork Local School District does not supply medications. Non-prescription medications must be in the original container with the student's name, current expiration date, dosing guidelines to validate appropriate dose for age and/or weight. Examples of non-prescription medications that may be stored and administered at school are: Tylenol, Motrin, Advil, Benadryl, Tums, Maalox, cold and cough medicines, and lactose products. All medications are to be provided by the parent/guardian and may not be transported on the bus.

HEALTH SCREENING PROGRAMS

The North Fork Local School District is continually concerned about the welfare and progress of children in the school. In an effort to consider your student's educational needs, the school conducts a variety of health screenings under the supervision of the school health staff and the speech/language pathologist to provide important information about each student. You will be notified if any of the screenings

indicate problems or if there is a need for further medical advice. If you do not wish your student to participate in any of these screening programs, please contact the school immediately. The evaluations that may pertain to your student (age and/or need appropriate) are listed below:

- -speech/language screening
- -hearing screening
- -vision screening
- -postural screening

In addition to these screenings, the nurse and speech/language pathologist cooperate with students, teachers, parents, administrators, guidance counselors, community agencies, physicians and other pertinent professionals as deemed necessary.

MEDICAL CONCERNS

A school has a high concentration of people and therefore it is necessary to take specific measures to ensure the health and safety of the group. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease (as defined by the ODH per their guidelines). Students must be noncontagious and fever/vomiting free for 24 hours without medication to return to school.

A Medical History Form must be filled out by every parent/guardian upon enrollment to the district for the purpose of identifying chronic, predictable health concerns, including allergies to foods or insects. Parents/guardians are responsible for updating this form immediately if changes occur with the student. Please notify the office staff and District Nurse of any changes.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS

PBIS is a process supported by the Ohio State Department of Education and Newton/Utica Elementary School to teach desired behavior, identify and respond to undesired behaviors and recognize positive behaviors in students. The tier system of supports helps the whole child on their academic, behavioral and social emotional well-being.

LEADER IN ME

Students will learn and practice the habits of Leader in Me to guide the choices they make during their time in elementary school. Following these habits, students will discover their unique strengths and talents to gain their highest potential.

- Be Proactive
- Begin with the end in mind
- Put first things first
- Think win-win
- Seek first to understand, then to be understood
- Synergize
- Sharpen the saw

STUDENT RECOGNITION

Each building will have a program/guidelines to recognize student accomplishments.

ATTENDANCE

The faculty and administration of the North Fork Local School District believe that regular school attendance is one of the best indicators of a student's academic success. Regardless of the reason for absence, each missed class interferes with a student's ability to master the skills necessary to be successful in school. It is the responsibility of the parent/guardian to ensure that their student maintain consistent, punctual, daily attendance.

<u>Absences from school for reasons other than those listed above will be considered unexcused. Students</u> may be denied credit for makeup work associated with an unexcused absence.

ATTENDANCE POLICY

Attendance is taken at the beginning of each school day and reported directly to the office. Students are expected to be on time to school and classes.

TARDINESS - Any student arriving late to school must report to the office before going to his/her class. Excessive tardiness is subject to disciplinary action as described in the discipline section.

ABSENCES - Due to new guidelines, student absences are no longer recorded as half or whole days. Absences are calculated by the total of time missed. All absences will be counted as an unexcused absence until an excuse is provided to the office. When a professional excuse is provided, the absence will be considered as a medical absence. Professional excuses must be on business letterhead or a business form. All excuses should be provided within three (3) days of returning to school. Parent notes will not be counted as professional excuses.

EXCESSIVE ABSENCES (EXCUSED & UNEXCUSED COMBINED) (O.R.C 3321.191)

A parent or guardian will be notified if a student has excessive absences which are defined as:

- Student is absent 38 or more hours in one school month with or without a legitimate excuse.
- Student is absent 65 or more hours in one school year with or without a legitimate excuse.

HABITUAL TRUANCY (UNEXCUSED ABSENCES) (O.R.C 3321.191)

A parent or guardian will be notified if a student is habitual truant which is defined as:

- Student is absent 30 or more consecutive hours without a legitimate excuse.
- Student is absent 42 or more hours in one school month without a legitimate excuse.
- Student is absent 72 or more hours in one school year without legitimate excuse.

Any child between the ages of six and eighteen, i.e. compulsory school age, who becomes Habitually Truant the school will create an Absence Intervention Team. The team will include the student, parents, staff and the attendance officer to create an Absence Intervention Plan. The student has 60 days to implement the plan. If the student does not make progress on the plan, as determined by the team, the attendance officer must file a complaint in the juvenile court against the student.

If at any time during the implementation of the plan, the student is absent without legitimate excuse 30 or more consecutive hours or 42 or more hours in one school month, the school must have the attendance officer file a complaint against the student.

EXCUSED ABSENCE WITH LEGITIMATE EXCUSE (O.R.C 3321.04)

The Ohio Revised Code states that every parent, guardian, or other person having charge of any school age child must send such child to a school. Such attendance must begin within the first week of the school term, or within one week of the date on which the child begins to reside in the district. As outlined in the ORC and Board Policy, the following are legitimate reasons for an excused absence from school:

- 1. Personal illness (a written physician's statement verifying the illness is required)
- 2. Illness in the family necessitating the presence of the child
- 3. Death in the family
- 4. Work at home due to the absence or incapacity of a parent or guardian
- 5. Observance of a religious holiday
- 6. Medical or dental appointments (a written physician statement verifying the appointment is required)
- 7. Medically necessary leave (ordered by a doctor)
- 8. Emergency or set of circumstances the Superintendent constitutes as a good and sufficient cause for absence from school.

Absences from school for reasons other than those listed above will be considered unexcused.

NOTIFYING THE SCHOOL OF ABSENCES

Regular attendance is important for the continuity of the educational process. Automated calls from our One Call System will go out around 10:00 am each day. We ask that **PARENTS/GUARDIANS CALL THE SCHOOL WHEN THEIR STUDENT IS ABSENT** and provide the student's name and reason for the absence. Parents may leave a message on voicemail if needed. If the parent/guardian does not contact the school, the school will make a reasonable attempt to contact the parent/guardian at home or work. Please do not be offended if we call to verify the student absence as this call is only to ensure the student's location and safety.

Upon their return to school, the student will have three (3) days to provide the office with a written note from their parent/guardian or a note from a medical professional stating the date and reason for the student's absence. Failure to do so will result in an unexcused absence and could result in zeroes on all assignments for the day.

STUDENT SIGN OUT/SIGN IN PROCEDURE

Any student leaving school during the day must be signed out in the office by parent, guardian, or preauthorized adult. Students are not permitted to leave or ride with anyone other than their parent/guardian or an adult designated by their parent/guardian.

Students returning to school after signing out must sign in at the office upon arrival. Students arriving late for school must sign in at the office.

SCHOOL PROCEDURE FOR REPORTING ABSENCES TO PARENTS

If the school is not contacted by the parent/guardian prior to an absence, the school will make a reasonable attempt to contact the parent/guardian at home or work. Automated calls from our One Call System will go out around 10:00 am each day.

Every reasonable attempt will be made to inform parents/guardians by mail when their student has

accumulated 30 consecutive hours, 42 hours in one month, or 72 hours in one school year of unexcused absence from school. Students who meet any of these "Habitual Truant" triggers will be referred to the county attendance officer and an Attendance Meeting may be held involving the student, parent, attendance officer, and officer of the Juvenile Court.

PRE-PLANNED ABSENCE REQUEST FORM

When a student misses in-class discussion and collaborative learning experiences, it adversely affects their academic progress. Planning vacations and family trips during the school year is strongly discouraged, however, we understand in certain circumstances school year trips cannot be avoided. Students who already have excessive absences may not be granted excused, pre-planned absences.

The PRE-PLANNED ABSENCE REQUEST FORM and a HOMEWORK REQUEST FORM must be completed and submitted to the building Principal at least five (5) school days prior to the absence. Failure to follow this procedure may result in the absence being considered unexcused and no credit given for work missed during the absence.

The Pre-Planned Absence Request Form and Homework Request Form can be found by going to: www.northfork.k12.oh.us

Go to the Schools tab

Click on the appropriate school (Newton or Utica Elementary)

On the right-hand side under Quick Links, click "Pre-Planned Absence"

The Homework Request Form is attached to the Pre-Planned Absence Request Form.

MISSED ASSIGNMENTS & MAKE-UP WORK

It is the responsibility of the parent/student to arrange for and complete missed assignments due to absence. Parents may either email their teachers during the absence or immediately upon return to school to make the necessary arrangements with their teachers for collecting and completing missed assignments. Students will be permitted one day for each excused absence day to turn in the assignments for full credit. If the student is absent on a day in which a test is given, the student will be responsible to take the test on the day they return or at the discretion of the teacher. Students who miss three or more consecutive days of school may request assignments to be collected.

EARLY DISMISSAL

Should school be dismissed early, it is the responsibility of the parent/guardian to work out an emergency plan to follow when a student is delivered by bus early. The student should be assigned a place to go if no parent/guardian will be home.

STUDENT SERVICES

STUDENT FEES, FINES AND CHARGES

North Fork Local School charges specific fees for activities and courses. Such fees and charges are determined by the cost of materials, freight/handling fees, and add-on fees for loss or damage to school property. The school and staff do not make a profit. Students using school property and equipment can be fined for excessive wear and abuse of the property and equipment. Fines collected are used to pay for the damage, not to make a profit. Late fines can be avoided when students return borrowed materials promptly. Others may need their use. Failure to pay fines, fees or charges may result in withholding of the report card. ACADEMICS

FIELD TRIPS

Field trips are conducted throughout the school year and are correlated with educational standards of the student in the classroom. To help make this activity worthwhile and positive for our students the following rules prevail:

- 1. Parents will be asked to sign a blanket field trip permission form, which gives the student permission to go on field trips throughout the school year. The parent's signature acknowledges that the parents are aware that their child may participate in field trips.
- 2. Teachers will notify parents prior to taking a class field trip.
- 3. Parents have the right to deny participations.
- 4. The school reserves the right to deny individual student participation in a field trip due to the student's record of misconduct or any other safety concern.
- 5. Parent chaperones may not bring/send siblings or other students not enrolled in the class participating in the field trip. All chaperones who are not parents or legal guardians must be at least 21 years of age.

GRADING

Progress Book Parent Access is available for parents of students in the North Fork Local School District. The web-based program allows parents to access classroom information such as homework assignments, view messages from your child's teacher, view cumulative progress of your child, and view your student(s) interim reports and report cards online. If you need a parent registration key to setup your Parent Access Account, please contact Kim Watson via email at klwatson@northfork.k12.oh.us.

Midway through each grading period, interim reports are issued to inform parents of their child's progress. Interim reports are issued for students in grades 3-5. Grade cards will be issued four (4) times per year. Both interim reports and grade cards will be accessible online through the Progress Book Parent Access site. The school will provide paper copies of the interim report and report card on an as needed basis only. Parents must annually notify the school secretary if a paper copy is needed.

Determining Year End Grades K - 2

The year-end grade will be determined by successfully completing the benchmark indicators for each of the content areas as established by the State of Ohio; opinion of the professional staff; and the degree of social, emotional, and physical maturation. Students must be secure in reading, writing, and math to be promoted to the next grade level.

Determining Year End Grades 3-5

The year end grades in grades 3-5 will be determined by converting the four (4) nine (9) week letter grades to points. The final grade will be awarded based on the average of the points. Students must pass at least three (3) nine (9) weeks during the year.

HOMEWORK

Homework will be assigned to reinforce skills learned in school and to develop responsibility in completing tasks. Homework can be defined as unfinished classwork, long term projects, weekly review sheets, studying for tests, quizzes, math facts, etc. Each teacher will communicate their Homework Expectation Policy in the classroom and posted on their website. Parents/guardians should check the student's assigned/graded work in Progress Book. A student is allowed an amount of time equivalent to the time of absence to make-up assignments.

PARENT/TEACHER CONFERENCES

Newton/Utica Elementary will hold Parent/Teacher conferences on specific dates throughout the year. Please check the school website for dates and scheduling instructions of Parent/Teacher conferences. These occasions are meant to help open the lines of communication between parents/guardians and teachers. If additional time or conferences are needed, arrangements may be made through the teacher or by contacting the office.

PROGRESS REPORTS/REPORT CARDS

Interims and report cards can be found on Progress Book. Parents/guardians have on-going access to their student's academic progress through Progress Book. Contact the Newton/Utica Elementary school office for information on how to receive login information.

INCOMPLETE ON REPORT CARD

Student who are absent or suspended at the end of the grading period, may receive an incomplete. Follow the absence policy for allotment of time. Incomplete work not made up within this time may result in a failing mark being recorded.

PROMOTION, RETENTION, PLACEMENT

In making decisions concerning proper grade level assignment (**retention and promotion**) the following areas will be taken into consideration:

- student's academic progress
- developmental age of the student
- social and emotional well-being of the student
- attendance of the previous year
- test results

In cases of **retention**, the parent/guardian will be contacted in advance, although the final decision will rest with the principal, with an appeal to the superintendent. Retention is viewed as another opportunity for growth at a particular level.

Placement in the next grade may be noted on record rather than promotion if a student's work continues to be unsatisfactory after retention.

Kindergarten students who have successfully mastered the majority of the benchmarks and standards as indicated by the State of Ohio readiness skills, and have developed both social and emotionally will enter first grade.

First and Second- Promotion in grades one and two will be based predominantly on their reading, writing, and math assessments. Lack of progress in one area will warrant consideration for placement or retention. Placement or retention may be considered due to previous retention and/or social and emotional development.

Third- Promotion in grade three will be based predominantly on their reading, writing, and math assessments. Lack of progress in one area will warrant consideration for placement or retention. Lack of successfully mastering the majority of skills in two areas will result in retention. Placement or retention may be considered due to previous retention and/or social and emotional development.

Fourth and Fifth- Promotion in grades four and five will be based upon successfully passing the major subjects of, math, English Language Arts (ELA), social studies, science and the minor of, music, P.E., computer, and art. Those students who receive a failing grade in one (1) major and/or two (2) minor subjects will be placed. Failure of two (2) major subjects will result in retention. Placement or retention may be considered due to previous retention and/or social and emotional development.

* Notification of possible retention will be discussed at parent/teacher winter conferences and clearly stated on the third and fourth period report cards. Parent notification is a requirement.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with the Ohio State Standards and District policy. Unless exempt, each student will be expected to pass the appropriate state-mandated achievement assessment. Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests are used to help the staff determine instructional needs.

TESTING

Kindergarten- KRA (Kindergarten Readiness Assessment)

The KRA tests basic entry-level skills such as letter and number recognition. This test is given within the first 20 days of the school year.

Kindergarten through Fifth Grade- Reading Diagnostic Plan

Fall reading diagnostic testing will be given within the first thirty (30) days of school. Any students in grades K-3 determined to be "not on track" will have a reading plan (R.I.M.P.) developed by a team consisting of principal, teachers, and parents.

Ohio State Testing

Ohio is expected to continue online assessments during the 2024-2025 school year (OST Assessments) for grades 3-5. Additional information and dates will be communicated with parents when reliable information becomes available.

SUPPORT SERVICES

RESPONSE TO INTERVENTION

The North Fork School District has the belief that all children are entitled to education commensurate with their particular needs. Children who are gifted in the district should be provided opportunities to progress as their abilities permit. The North Fork School District Board of Education believe that these children require services beyond those offered in regular school programs in order to realize their potential contribution to themselves and society.

The North Fork Local School District shall submit, as required, an annual report to the Ohio Department of Education. The district superintendent or designee shall implement all policies and procedures in accordance with law, rules, and regulations and follow the Model Policies and Plans for the Identification of Children Who Are Gifted. SOCIAL-EMOTIONAL SUPPORT SERVICES

Counseling services are provided to support the positive growth and development of the entire child, including the academic and social-emotional well-being within the school setting, the home setting and the community. Other counseling services include small groups that address a specific set of skills over several visits and designed to be short-term. Individual counseling is also available by self-referral, teacher referral, administrator referral, or parent referral. Parental consent is required for group counseling and individual counseling that extends beyond six (6) visits. Counselors additionally make referrals to outside agencies for students and families requiring more specialized care.

Topics discussed in the counseling session shall remain confidential, however as counselors, we are obligated to breach confidentiality in the following conditions: if a student poses an imminent threat to self or others; state laws mandate reporting of suspected child abuse or neglect; a court of law required the testimony of student records; the student gives consent to divulge a topic discussed in the counseling session. STUDENT CONDUCT

CODE OF CONDUCT

A major component of a school's educational program is to prepare students to become responsible citizens by learning how to conduct themselves properly and in accordance with established standards.

DRESS AND GROOMING

Our rules are designed to provide the best atmosphere for learning. It is our hope that parents will guide their children so that they do not encounter problems with their appearance. Violation of rules may lead to parent contact, detention, and/or suspension. Judgement by the Principal in matters of dress and appearance is final. The responsibility for a student's appearance is the function of the student and his/her parents. These general guidelines may be helpful:

- 1. Clothing, hair and body should be clean.
- 2. Students are expected to dress appropriately at all times. Any articles of clothing, accessory, or hairstyle that disrupts the educational process or presents a safety risk, is not permitted.
- 3. Clothing worn may not have holes, rips, or tears.
- 4. Clothing or personal items with writing that is profane, obscene, offensive, degrading, gang and/or hate-group related, or that disrupts the school process are "unacceptable."
- 5. Clothing or personal items with logos of or encouraging use of drugs, tobacco, or alcohol products, weapons, pornography, death or violent images, is not permitted.
- 6. Students may wear shorts or skirts, but they must be appropriate in style and longer than fingertip length. Shirts must cover their stomach.
- 7. Students must wear footwear. Flip flops are not acceptable footwear. Sandals and Crocs must have heel straps. Heelys (shoes with wheels) are not permitted.
- 8. Gym/Tennis shoes must be worn or brought to school to change into on days your student has P.E. class.

We strongly suggest sending in a change of clothing in case of an occasional accident.

EXPECTED BEHAVIOR

Each student is expected to behave in ways that are:

- Respectful
- Responsible
- Safe

BULLYING (O. R. C. 3313)

Ohio law defines bullying as harassment and intimidation in Ohio schools as any intentional written, verbal, graphic, or physical act that a student or group of students exhibits toward another particular student more than once (repeatedly), and the behavior both:

- Causes mental or physical harm to the other student;
- Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

Harassment, intimidation, or bullying also means electronically transmitted acts (i.e., internet, e-mail,

cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student or a group of students exhibits toward another particular student more than once, and the behavior both causes mental and physical harm to the other student, and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student. Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name calling, taunting, making threats, and hazing.

Facts to know about bullying:

- Bullying is disrespectful and can be dangerous, humiliating and life threatening.
- Bullying on the basis of race, ethnicity, religion, disability or sexual orientation is a form of bias or hate and should not be dismissed as teasing.
- Bullying behavior that continues into adulthood may turn into violent behavior toward strangers, friends and family.

Questions Administrators ask:

- 1. Is the act intentional?
- 2. Did the act occur more than once?
- 3. Did both parties actively participate?
- 4. Did the act cause mental or physical harm?
- 5. Is the act severe, persistent, or pervasive (spreading) which creates an abusive educational environment?
- 6. Did the repeated act have a negative impact on the educational, physical, or emotional well-being of the other student?

Actions taken:

- 1. Did an investigation take place to any written or verbal reported cases of bullying?
- 2. Is there documentation of the incident in writing?
- 3. Were remedial or disciplinary steps put in place to eliminate any verified act of bullying or harassment?
- 4. Keeping confidentiality and FERPA in mind -were the parents notified of the investigation, students involved, and outcome?

How can parents/guardians help prevent bullying?

Parents/guardians are their children's first teachers. Whatever parents/guardians say and do at home, their children are likely to imitate and repeat in other settings. The most important skills that parents/guardians can teach their children are to speak and act in respectful ways and to solve problems fairly and peacefully. Here are suggestions to help parents/guardians teach by example:

At Home:

- Talk with children often and listen carefully to what they have to say.
- Discuss bullying behavior and how hurtful it can be to others.
- Make behavioral expectations clear and be consistent with discipline when siblings and peers engage in hurtful teasing and bullying.
- Help children understand the meaning of friendship by modeling friendly behavior.

- Discuss the fact that all people deserve respect, even though their individual characteristics and personalities may differ from the expected.
- Urge children to tell an adult when they are being bullied.

At School:

- · Learn the school rules, expected behavior and consequences of bullying.
- Participate at school, offer services and attend school-sponsored activities.
- · Communicate regularly with your child's teachers.
- Report bullying behavior immediately when you become aware that it is happening.
- Ask for and accept the school's help if your child is a target, a bully or a bystander.

NON-DISCRIMINATION

In accordance with federal and state laws and regulations and Board policies, any student or parent of a student who believes that the student has been discriminated against based upon race, sex, sexual orientation, religion, national origin, age, gender identity or expression, ancestry, familial status, military status or disability, may bring forward an informal or formal complaint to the building administrator. Whenever possible and practical, an informal solution to the alleged complaint is encouraged and should be attempted. If an acceptable informal solution cannot be attained, formal complaint procedures shall be followed as set forth in Board policy.

The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. General housekeeping inspection of school property may be conducted with reasonable notice. Note. Disciplinary action may be adjusted and the disciplinary cycle may be altered at the discretion of the administrator depending on the severity of the infraction.

DISCIPLINE
