Communications	Communications in Society COMM – 1100 OSU – Newark	3 semester hours

College Credit Plus is the new name for programs such as Dual Enrollment and PSEOP (Post-Secondary Enrollment Options Program). Taking a College Credit Plus course from a public college or university is free, which means no cost for tuition, books, or fees. There may be costs associated with College Credit Plus at a private college or university should these institutions participate in the program. Students in grades 7-12 can apply for College Credit Plus admissions based on college-readiness in one or more areas. This is typically determined by an ACT/SAT or COMPASS test score. To learn more visit <https://www.ohiohighered.org/ccp> or see a school counselor.
