

I grew up in Columbus and graduated from Franklin Heights High School in 1990. I married my husband, Scott, and moved to North Fork district in 2004.

We have 3 daughters who are currently in 6th, 8th, and 10th grade.

I was involved with Utica Elementary PTO for the last 5 years. I am a member of Utica United Methodist Church and serve on their events committee. I volunteer every Thursday at the LEADS food pantry. I am involved with my kids' athletics as well as 4-H and FFA.

I believe in our community, our schools, and helping our young people succeed.
