

Scholarship Application

Licking County Association of Family and Consumer Science

A. Eligibility for the Scholarship

1. The applicant must be a permanent resident of Licking County, be graduating or a graduate from a Licking County high school.
2. The applicant must rank or have ranked in the upper 1/3 of that individual's high school graduating class. Post secondary student applicants should have at least a 2.75 cumulative grade average at the date of application.
3. The applicant must be enrolled or planning to enroll in a full-time college or technical school program that will lead to a Family and Consumer Science related profession. A full-time student must carry at least 12 hours per quarter or 15 hours per semester. Note: Preference will be given to applicants enrolled in a 4-year bachelor program or an advanced degree FCS program.
4. After completing her/his education, the applicant must be planning to be employed in a Family and Consumer Science related career.

B. Selection is based on:

1. Application information
2. Transcript of high school grades and/or college grades.
3. Recommendations from **three** persons

Contacts for the recommendations are to be made by the applicant.

The persons writing the recommendations should include information relating to the applicant's leadership abilities, financial need, career goals, and potential for success in the field of Family and Consumer Science. The persons writing the recommendations are to mail them, **postmarked by March 15, 2017,** to Carol Thompson, P.O. Box 53, Utica, OH 43080-0053.

C. Scholarship Value:

A minimum of \$500 in scholarship money will be distributed.

D. Granting of the Scholarship:

The scholarship will be sent directly to the recipient's chosen college or technical training institution. The recipient will show his or her fee receipt to receive the scholarship money. The recipient must utilize the scholarship money by the first term of the following school year or forfeit it to the Licking County Association of Family and Consumer Science.

Applications and recommendations must be postmarked on or before March 15, 2017. Mail to Carol Thompson, P.O. Box 53, Utica, OH, 43080-0053.
