

North Fork SACC

Are you looking for before or after school childcare at the convenient elementary school location for the 2023-2024 school year? We are excited to have the opportunity to provide for children enrolled in kindergarten through fifth grade at Utica and Newton Elementary School again next year!

We provide care from 6:30am until the school day begins (when there is a one or two hour delay we provide extended care for that time at no extra cost) and from the end of the school day until 6:00pm located in the elementary school buildings! We provide structured activities as well as activities of choice within our programs. We also provide a nutritious snack and period of offered homework help in our afternoon programs. Our programs operate on the North Fork School District student calendar schedule. We are NOT open at the Newton or Utica Elementary school locations when school is not in session.

AM only care- \$30/week

SUMMER BREAK, WINTER BREAK AND SPRING BREAK

North Fork SACC offers childcare for school breaks as well. We have partnered with and are conveniently located at the United Methodist Church in St Louisville. We will use this location during the 2023-2024 school year for summer break, winter break and spring break based on the North Fork School District student calendar. We operate Monday through Friday from 6:30am until 6:00pm (with the exception of July 4th, Christmas Day and New Years Day). We enroll children five years old and entering kindergarten through children who have just completed the fifth grade, your child does NOT have to be in the North Fork School District to attend this program.

PROGRAM COST \$110/week per child

We do not provide care on a daily or drop in basis for either program. We are licensed programs through Job and Family Services and accept publicly funded childcare (PFCC).
