## OTES Training: July 26-28, 2016

The Ohio Teacher Evaluation System (OTES) Evaluator Training will prepare an evaluator of teachers, as defined by the role you serve in a Local Educational Agency (LEA), for effective, high quality and consistent staff evaluation using the OTES Model which is aligned to the OTES Framework as adopted by the State Board of Education in November 2011. To become a credentialed evaluator of teachers in the State of Ohio, an individual must be properly licensed or LEA approved as a peer evaluator, participate in the three-day state-sponsored evaluator training and pass an online credentialing assessment. Upon successful completion of the training (attendance for all three days is REQUIRED), participants will have access to the online assessment. The three-day state-sponsored OTES training will provide a better understanding of the OTES Framework, including the Summative Matrix and Model, allow practice of skills such as scripting, evidence analysis/categorizing and coaching, and allow for sharing of resources and best practices in educator evaluation. Please register through STARS.

## Mentor Academy Day 1: August 1, 2016

New mentors to the Resident Educator Program are required to complete a two-day mentor academy to receive mentor certification. (This two-day academy replaces the previous RE mentor trainings: IM, and RE-1). Resident Educator Mentor Academy Day 1 focuses on Mentors as Learners: the knowledge and skills mentors must know to be able to effectively mentor Resident Educators. Please register through your district's Lead Mentor.

## Mentor Academy Day 2: August 11, 2016

RE Mentor Academy 1 is a prerequisite for this second day of training. The training focus is Mentors as Decision Makers. Mentors apply the knowledge and skills learned in day one to design, practice and implement tailored mentoring support to accelerate Resident Educator teaching practices. Please register through your district's Lead Mentor.

## PBIS in the Classroom: September 19, 2016

Lead by Thomas J. Stacho, Lead PBIS Trainer, this one-day training session brings the Positive Behavioral Interventions and Supports (PBIS) framework into the classroom environment. Areas of focus will include: classroom vision, organizing routines and procedures, teaching expectations, developing motivational systems, monitoring student behavior, and responding to and correcting misbehavior. This session will assist regular and special education teachers in grades K-12 to evaluate current practices, confirm effective practices, and revise aspects of their current classroom organization and classroom behavior management plan. It is recommended, but not necessary for participants to have a school-wide PBIS framework in place at their current building. Please register through STARS.

## PBIS Tier II: Establishing a System of Targeted Behavioral Support

Lead by Thomas J. Stacho, Lead PBIS Trainer, this one-day training will provide participants with Tier 2 evidence-based behavioral strategies and interventions to support classroom and school-wide implementation with fidelity. Areas of focus will include review and assessment of current Tier I (school-wide) supports; developing a Check In Check Out (CICO) intervention; and, setting the stage and structures for Tier 3 (Intensive) supports. This training is designed for regular and special education teachers, counselors, instructional coaches, and any other educators working within a Positive Behavioral Interventions and Supports (PBIS) framework who want effective, positive focused classrooms and buildings. Please register through STARS.
