From the Superintendent ~

It is difficult to believe we have already completed the first quarter of the 2019-20 school year. I would like to express my many thanks to all who have made the start of the year so successful. As we continue into the second quarter, we are focusing on our mission to facilitate maximum learning for every student. The district could not achieve improvement without the strong partnership we share with our students, staff, and community. I want to thank each of you for doing your part to live our mission.

The district has had a busy and productive nine weeks. We continue to focus on our Four Pillars of Success, which you can check out on our webpage. As we keep the school year and the upcoming activities in mind, we want to continue to stress our desire to provide a safe environment for all of our students. During the September professional development day, our staff completed Active Shooter Training. Just as a reminder, we will be conducting safety drills in the next couple of weeks. Remember, safety is everyone's concern. If you see something or hear anything please let someone know.

This school year we are focusing on reading and math. We are two years into the My Math Program and it is showing great improvement with our students' achievement. This school year we are working with the Lucy Calkins writing program and are anticipating student achievement to show similar improvements. Staff have been looking at data to pinpoint student strengths and weaknesses so that necessary adjustments in teaching and learning can be made. With our changes, you will be able to see that the quality of education in our district continues to move forward.

As fall starts to end the snow and ice of winter will be beginning. The quickest way to be notified of school closings or emergencies is through the One Call alert system. We will also have the information posted on our webpage and use the local television and radio stations. If you have made a change in your address or phone numbers, please notify the building secretaries so these can be updated in our systems. This helps the district to provide information to you quickly.

Thank you all for letting us be a part of the education of your children and all of the support you have shown us.

Scott Hartley, Superintendent

Transportation Update - Mr. Mike Maxwell

With winter weather right around the corner, **in-town busing** for elementary students in Utica will begin **Monday, December 2, 2019**. We will update our website with further details at a later date. (www.northfork.k12.oh.us)

Utica Middle School News ~ Mr. Shawn Wilhelm, Principal

It has been a very good and busy start to the school year at Utica Middle School. We have introduced the students to **ten new staff members**. They include Mr. Wilhelm, the principal, school counselor Mrs. Bush, math teacher Ms. Rexrode, science teacher Mrs. Watson, social studies teacher Mr. Sapp, Spanish teacher Ms. Kaskey, intervention specialists Mrs. Alexander and Mr. Kendall, and last but not least our aides Ms. Revercomb and Mrs. Wray. The middle school has also seen the inclusion of some high school teachers to teach a few classes including Mr. Spung (math), Ms. McKnight (science), Mr. Rowley (social studies), and Mrs. Campos (health).

In October, we introduced **Students of the Month** for the first time. These students are individuals that best exemplify what being a good all-around student is at UMS. For October, the students of the month were **Stella Bowman (6th grade)**, **Montana Burnett (6th grade)**, **Sarah Canterbury (7th grade)**, **Gavin Tussey (7th grade)**, **Carlee Renner (8th grade)**, and **Tyson McElroy (8th grade)**. These students were presented a certificate and given a chance to eat lunch with Mr. Wilhelm and a friend in the conference room in the office. The week of October 21 involved "See Something Say Something" week to promote our **anti-bullying** campaign. Students had themes each day to help speak out against bullying. At the end of the week, the students signed a pledge to not be a bully. The **Redskin Rumble** will be new and improved beginning in November and will become an all-day event honoring the great behavior at UMS. The first Redskin Rumble will include all students; but beginning with the next Redskin Rumble after the completion of the second grading period, students will have to earn the right to participate in this great event.

The success at UMS is building in our extra-curricular activities. There was the first choir show that debuted this year's middle and high school choirs. The middle school choir had a great performance of four songs. They then concluded the evening with the high school choirs singing "Africa" with an awesome creation of rain noise with their hands. **"Annie" will be coming to Utica in November** and will involve many of our middle school actors and actresses. They have been working hard preparing their lines and the building of the set. The play will be **November 14, 15, and 16**. In sports, the cross country team saw team success on the boys' side with a 3rd place finish at the Newcomerstown Invitational and a 1st place finish at the Zane Trace Invitational. Individually, Stephen Epps lead the way with a 2nd place finish at the Licking County League meet and 5th place finish at the OHSA Jr. High State Invitational. Austin Kennedy was 11th place at the LCL meet to also earn league honors with Stephen. The 8th grade volleyball team wrapped a successful season by finishing 2nd place in the LCL post-season tournament.

Parent-Teacher conferences will be November 4th and November 7th from 3:00 p.m. to 6:30 p.m. each evening. Parents can call the Middle School office to request a conference.

It is truly a great time to be at Utica Middle School!

On November 14, 15, and 16 the Utica High School Drama Club will present the musical *Annie*. The show will feature over fifty students from grades 5 - 12. Performances start at 7:30 each night. Tickets are \$7 for adults and \$5 for students and senior citizens. Reservations can be made by calling 740-507-9347 starting November 7th.

Based on the popular comic strip by Harold Gray, *Annie* has become a world-wide phenomenon and was the winner of seven Tony Awards, including Best Musical. The beloved book and score features some of the greatest musical theatre hits ever written, including "Tomorrow."

With equal measures of pluck and positivity, little orphan Annie charms everyone's hearts despite a next-to-nothing start in 1930s New York City. She is determined to find the parents who abandoned her years ago on the doorstep of a New York City Orphanage that is run by the cruel, embittered Miss Hannigan. With the help of the other girls in the Orphanage, Annie escapes to the wondrous world of NYC. In adventure after fun-filled adventure, Annie foils Miss Hannigan's evil machinations and even befriends President Franklin Delano Roosevelt! She finds a new home and family in billionaire, Oliver Warbucks, his personal secretary, Grace Farrell, and a lovable mutt named Sandy.

Leader in Me

Our district-wide initiative *Leader-in-Me* training and execution continues at both Newton and Utica Elementary schools as we collaborated this past week to discuss what we have already accomplished, what we are presently doing, and what we plan to do in the future. We have already implemented weekly *Leader-in-Me* class discussions and activities; use of the common language, as well as, the many visual reminders that are beginning to appear throughout the buildings. The focus of our most recent training was on creating a leadership culture with regards to the environment (physical surroundings, language that is heard, and the how each person feels), shared leadership (both staff and students share in leadership), and leadership events (assemblies, class meetings, family nights, concerts, etc.). Also discussed was Launching Leadership, which focused on the instruction and teaching the 7 Habits with integrated approaches and modeling. We look forward to our future as a *Leader-in-Me* district.

Once again we will be using the One Call Now messaging system for parent notification of school delays, cancellations and other information. From the North Fork homepage just follow the link under the parents tab to update your information.

CLOSE?? DELAY?? What should we do?

When bad weather affects the area, we make the decision to open/close schools, or modify the school day schedule based upon a careful analysis of all relevant factors. *Some* of these factors are:

- * Information on road conditions from transportation staff and local law enforcement. Careful consideration is given to the most dangerous roads in the district; they can be treacherous, even if your street looks clear.
- * Amount of accumulated snow and/or ice
- * Is precipitation expected to continue throughout the day?
- * Temperature and wind chill
- * Building conditions such as whether there is electricity and heat
- * What other districts are doing

On Oct. 22nd twenty-two UMS and UHS students travelled to the Ohio Theatre in Columbus to see the Broadway production of the musical "Mean Girls." For most of the students, this was their first chance to see a professional Broadway show. Plans are in the works to go see the musical "Wicked" in April, which tells the origin story of the Wicked Witch of the West from "The Wizard of Oz."

**Congratulations Utica Volleyball Team!
LCL Cardinal Division Co-Champions
District Runner-Up**

**Utica and Newton
Elementary third
grade students would
like to thank Morgan
Grange for their
dictionaries!**

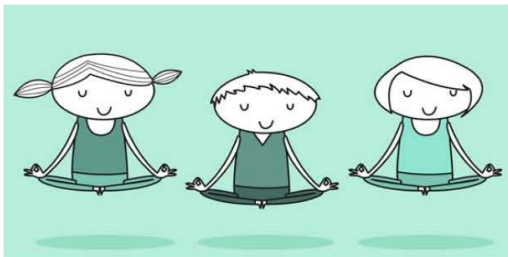

Calm Classroom

Calm Classroom is a school-wide mindfulness program that is currently integrating into schools across the United States. This program commits teachers, administrators and staff to creating a peaceful and engaging classroom environment where all students can learn and be their best.

North Fork Local Schools recently joined the nation of schools that have incorporated Social Emotional Learning Standards into curricula. This year, the initiative is functioning as a “pilot program” for teachers to learn about techniques during district professional development days and testing them in their classrooms with the aid of guided lesson plans and workbooks.

Jayne Blackstone, Director of Student Services, believes this program would be a beneficial initiative for students in our district. Jayne, as well as other administrators in our district, had the opportunity to be trained as Calm Classroom facilitators through the Our Futures committee which was sponsored by Licking Memorial Hospital and Mental Health America. “Calm Classroom is an initiative we would like to see in all four of our buildings” says Jayne Blackstone.

Calm Classroom promotes student and staff stress management and overall well-being.

Calm Classroom

Calm Classroom techniques were utilized in Ms. Franks' Advanced English 12 class at the end of Quarter 1. Below you will find our class findings and overall the experience we had when using calm techniques.

Techniques:

**Feeling the
Breath*

**Body Scan*

The room was darkened, and students were asked to calm their bodies and minds. Ms. Franks then asked a series of questions, where students reflected and shared their thoughts. A few example questions were:

What causes you stress?

How do you manage stress?

Why is it important to care about our mental and emotional health?

3-5 minutes

Practiced 2-3 times per day

Over a span of 21 weeks

Students had varying answers, but primarily agreed that a stressor that all had was juggling multiple duties at once. Managing school, sports, family & friends, and other extracurricular was taxing. After discussion, it was time to start the exercises. We practiced both techniques and students overall felt calm, relaxed and more at peace with the stress in their life.

Calm Classroom

Student Q & A

Do you feel you will use techniques like this when you start to feel stress?

Yes! The techniques we used in class today were very helpful and relaxing. I will absolutely continue to use techniques like this to remain calm in my daily life. *

Jordan Mockus (12)

Sydney Hoover (12)

Did the breathing exercise and Body Scan help calm your mind?

Yes, it allowed me to let go of unnecessary worries and focus on what was going on now.

News from Newton Elementary ~ Ms. Michele Gorius, Principal

The 2019-20 school year is off to a great start! Newton's enrollment this year is 356 students.

Professional Days

- * Teachers had a professional day on August 16th to learn about the Lucy Calkins writing program. They will be working on implementation of the program all year.
- * The entire district met on September 18th for safety training. Thank you to LC Sherriff's Office for conducting the training.
- * The topic for October's professional development was *Leader in Me*. Both elementary buildings came together to work with our coach, Jenn Russell.

October

- * We participated in the Utica Homecoming. Our float was awarded "Best float to Follow the Theme." On Thursday, the high school band, cheerleaders, and football players came to Newton for a mini pep rally.
- * Representatives from Morgan Grange gave our 3rd graders dictionaries. This is their 17th year with this project. (See page 6 for a photo.)
- * Pink was the color on October 17th. Students and staff were encouraged to wear pink for Breast Cancer Awareness.
- * Thursday, October 24, was the end of the first quarter.

Looking Ahead

- * November 1 is picture retakes.
- * Parent teacher conference are November 4th and 6th
- * November 15th will be our Veteran's Day Assembly and Award's Assembly for grades 3, 4 & 5.

As always, if you have questions or concerns please contact me.

Welcome to the Utica Elementary Family

We are proud to introduce our new staff members for the 2019-2020 school year:

Amanda Fitz- Fourth Grade ELA

Chris Trost- Fifth Grade Science/SS

Chandra Gardner- Kindergarten

Abbie Taylor- LCESC Intervention Specialist

After teaching 7th grade science at Utica Middle School for the past five years, **Mr. Trost** has made the switch to join Utica Elementary in his 10th year of teaching. Mr. Trost is really enjoying this new position and he is excited about guiding his class of 5th graders through a successful school year. When he is not teaching 5th graders, Mr. Trost enjoys writing poetry, creating artwork, riding horses, and spending time with his wife Jen, and their two daughters, Ruby and Clara. Please help us welcome Mr. Trost to the Utica Elementary family.

Miss Fitz is our new 4th grade language arts teacher at Utica Elementary. She graduated from Philo High School, which is about an hour southeast of Utica. She is really enjoying familiarizing herself with our Utica Elementary staff, students and our community members. This is Amanda's first teaching assignment. Miss Fitz has a passion for teaching language arts, inspired by her love of reading, writing, and working with children every day.

Mrs. Gardner is new to our staff, but not a new face in the building. She spent the 2018-19 school year as the preschool teacher in the Flying Colors unit housed at Utica Elementary. Chandra graduated from Ohio University with a Bachelor's Degree in Early Childhood Education. She received her Master's Degree in Curriculum and Instruction in Early Childhood Education from Concordia University. After receiving her Master's Degree, she decided to return to college to gain certification as an Early Childhood Intervention Specialist. Mrs. Gardner has been teaching for 9 years. She went into teaching so that she could help children be able to reach their fullest potential and to develop a love of learning. Her favorite thing about teaching is building relationships with her students as well as their families and seeing all the growth the students make in their time together. Chandra enjoys building a love of learning at a young age in her students so that they want to come to school and that they are eager to learn more!

Mrs. Taylor joins our staff via the Licking County Educational Service Center. Abbie, a Utica resident, is a wife and mother of three beautiful boys. She is excited to begin working with the staff at Utica Elementary and blessed to be in the same building as her children. After graduating from Licking Heights, Abbie attended the University of Akron and graduated with a Bachelor of Arts degree in Dance in 2006. Recently, she went back to school to complete her Master of Arts in Teaching at Muskingum University, graduating in December of 2018. She began her teaching career in the Lakewood School District at Hebron elementary.

We Love our Guests!

We have had the pleasure of hosting several guests thus far this year. Thank you for taking time out of your schedule to interact with our students!

October 8th was FIRE SAFETY DAY

October 9th Jesse Lemay from Granville Pediatric Dentistry visited our k-2 students to discuss dental health.

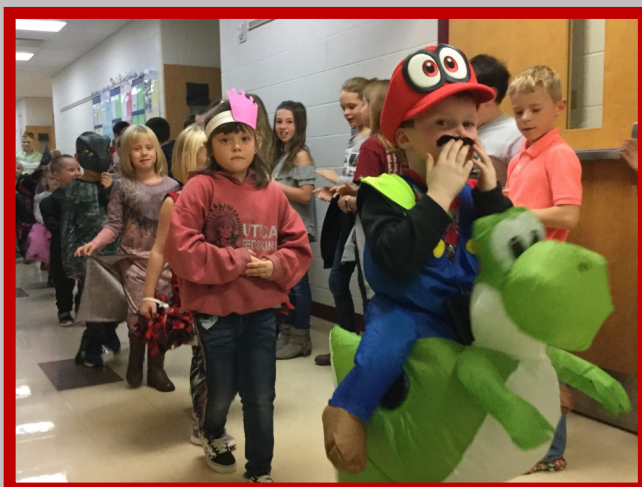

October 15th
Mr. and Mrs. Hiltner and
JoAnn Walton from Morgan
Grange distributed
dictionaries to our third grade
students.
(More photos on page 6.)

Costume Parade

Rain might have altered our plans, but it didn't dampen the creative spirit that was on display as Utica Elementary students and teachers participated in our annual costume parade. Instead of walking through Oak Hill Manor due to the weather conditions outside, our preschool, kindergarten, first, and second grade students proudly marched the halls of Utica Elementary dressed in a wide array of marvelous costumes.
