

Are your students interested in pursuing a college degree or certificate program? Are they looking for scholarships to help pay the cost of attendance? Are they interested in the natural gas and oil industry? If you answered yes to any of these questions, then we have a great opportunity for them!

CHECK OUT THIS SCHOLARSHIP!

The Ohio Natural Energy Institute, and our Foundation, are very excited to announce the opening of our 2024 scholarship application period! Enclosed is our 2024 scholarship application and scholarship promotion poster to assist you in sharing this opportunity with your students. The application and additional information can also be found online at OhioNaturalEnergy.org/Scholarships. Completed applications and applicable attachments must be emailed or postmarked **no later than March 1, 2024**.

Scholarships are awarded in amounts of \$1,000. To qualify for the scholarship, a student:

- Must be a U.S. citizen.
- Must have a career goal in the natural gas and oil industry.
- Must be an OHIO resident OR a student attending, or planning to attend, an accredited OHIO college, university, technical or trade school.
- Must have and maintain a grade point average (G.P.A.) of 2.5 or higher.

In addition to our annual scholarship opportunity, we would like to highlight our career information and video series which provides information about a wide variety of careers, paths of higher education if applicable, and a real-life look into natural gas and oil related careers. These valuable resources can be found at OhioNaturalEnergy.org/IndustryCareers. In this mailing, we have also enclosed a list of our *free* educational offerings for you to share with your teachers. We offer teachers a variety of resources to help them connect classroom learning to real life applications in the natural gas and oil industry!

Thank you for sharing this information with your teachers and students! If you have any questions or need additional information or materials, please do not hesitate to contact us.

Kind regards,

Mrs. Shawn Toy
Education and Workforce Development Manager

Ohio Natural Energy Foundation

2024 SCHOLARSHIP APPLICATION

**OHIO
NATURAL
ENERGY**
FOUNDATION

SCHOLARSHIP INFORMATION

- Applications are accepted from **January 1, 2024** through **March 1, 2024**.
- Scholarship winners will be announced in May 2024.
- **\$1,000** annual scholarship with a total of four years of potential eligibility.
 - If qualified, a renewal application must be completed.
- Scholarships are limited to undergraduate studies.

MINIMUM APPLICANT CRITERIA

- Must be a U.S. citizen.
- Must have a career goal in the natural gas and oil industry.
- Must be an OHIO resident OR a student attending, or planning to attend an accredited OHIO college, university, technical, or trade school.
- Must have and maintain a grade point average (G.P.A.) of 2.5 or higher.

SUBMISSION REQUIREMENTS

- ☐ Completion of two-page application, signed and dated (written or online).
- ☐ Provide two letters of recommendation from a teacher, employer or other mentor figure.
 - Note: Recommendations from family members are not acceptable.
- ☐ Provide an essay consisting of no less than 250 words, and no more than 1 page in length (12 pt. font, single-spaced), detailing your career goals related to the natural gas and oil industry, and how your degree, or certificate, will help you towards your goals. Describe personal or family influences that guided you into this career path, and how you would use your education to help the natural gas and oil industry. Please also include any financial needs or special considerations.
- ☐ Provide a resume that includes academic achievements, extracurricular activities, awards/recognitions, community service, and work history.
- ☐ Provide current transcript.
- ☐ Provide ACT and/or SAT test scores (if required by your educational institution).

SUBMIT APPLICATION AND ATTACHMENTS NO LATER THAN MARCH 1, 2024.

Information received after this date will render the application incomplete and it will not be processed.

RETURN APPLICATION AND ATTACHMENTS TO:

FREE EDUCATIONAL OFFERINGS

FOR TEACHERS & STUDENTS

STEM & Geology Workshops

For: Elementary, middle and high school science teachers

Annual STEM & geology teacher workshops provide our educators with factual knowledge about the natural gas and oil industry, along with the history, science, and geology behind it, to take back to their classrooms. Career connections are incorporated into the curriculums and lessons in order to help educate students about all of the opportunities that are available within the natural gas and oil industry. Participants receive curriculum books that meet state and national standards, and include background information and multiple hands-on activities for each unit. Teachers are also equipped with supplies for many of the curriculum activities, and numerous other educational and resourceful materials. Each workshop is worth CEU credits and when applicable, teachers are taken on field trips and optional Ashland graduate credits are available.

Classroom Presentations

For: 5th – 12th grade classrooms & university level course classes

Petroleum Professionals, or "Petro Pros", is a FREE educational guest speaker program. Each presentation is uniquely designed for the needs of the classroom, the student's education level and current topic(s) being taught. Presentations can be done in-person or through video conferencing, and can include the basics of fossil fuels, the exploration and production of natural gas and oil in Ohio, the careers related to the industry, and more.

Career Fairs

For: Your school/district/regional career fair

Is your school, district or region hosting a career fair? We would love to attend and share information about the 80+ careers in the natural gas and oil industry. Our career information lists all of the career options along with descriptions, typical education needed, and where the education can be obtained. We even have videos that provide a real-life look into the career paths.

Scholarships

For: Students pursuing industry-related careers who either live in Ohio or are attending an Ohio college, university, technical or trade school

In order to support the future generations of the natural gas and oil industry, scholarships are provided annually to students interested in pursuing an industry-related career. Students can apply for a scholarship from January 1 through March 1, and the recipients are announced in May of each year. Scholarships are eligible for renewal for up to 4 years for qualifying students.

Science Fair

For: Students completing science fair projects

The Institute supports school science fair programs by offering students information on ideas and resources for natural gas and oil related projects, sponsoring Ohio Academy of Science's STEM State Science Fair Award #139, and judging at the state science fair.
