## Utica Physical Education Waiver Intent Form

**Directions: Read this form completely. Write your name in the blank and sign and date this form (student and parent) at the bottom. Return this form to your counselor by September 1, 2022.**

I, \_\_\_\_\_, hereby declare my intent to utilize the Physical Education graduation requirement exemption by participating in two full seasons of interscholastic sports, marching band, or cheerleading at Utica High School.

I understand that the following conditions apply:

- I must successfully complete two full seasons in eligible activities to be exempt from the Physical Education graduation requirement.
- Successful completion will be determined and certified by the coach, director, or advisor and approved by the Athletic Director or Principal, whose decision may not be appealed. (Completion is not based on playing time; it is based on being on the team.)
- Failure to complete one season of an activity in the freshman year will result in my being scheduled into Physical Education during my sophomore year.
- Submission of this PE Waiver Form does not guarantee acceptance on the corresponding team.

**I intend to participate in the following activities to meet the PE graduation requirement. I will notify my school counselor if I intend to use other activities instead of these due to a change in plans or if not accepted onto a team. Write activities below and circle the school year:**

Eligible activities include marching band (includes color guard), cheerleading, and all levels (freshmen, junior varsity, and varsity) of: baseball, basketball, bowling, cross country, football, golf, softball, outdoor track, volleyball, and wrestling.
