Managing Fighting & Aggression is a **Triple P** Discussion Group Program that looks at some of the reasons why children (to age 12) fight. It also gives parents some practical suggestions to help prevent problems by teaching children to play cooperatively and resolve conflicts, as well as how to manage problems with fighting or aggression if needed.

Triple P is a research-based, internationally-recognized, multilevel parent support program funded by Licking Memorial Health Systems and supported by Mental Health and Recovery of Licking and Knox Counties and Our Futures in Licking County.

96 percent of parents who have tried some of the **Triple P** strategies have seen an improvement in their child's behavior!
