Welcome to Utica High School.

Dear Student and Parent/Guardian,

I want to take this opportunity to welcome everyone to UHS. As you may know, there are many great opportunities here at UHS that involve academics, clubs, athletics, and of course, a social atmosphere. UHS sits within a very active community that leads by example and is supportive through community events and school activities. Please take the time to look through the student handbook so you can better understand the guidelines and expectations that are set here in your building. It is important that you take ownership in your learning experience here at UHS and ask for support when needed.

As the year progresses be aware, be supportive, and be kind. Remember we are all in this together and enjoy your journey.

Have a Great Year,

Mr. Ashbrook
Principal
Utica High School

GENERAL INFORMATION

This student handbook was developed to answer many of the commonly asked questions that may come up during the school year. Please take the time to become familiar with the information contained in this handbook. This handbook does not serve as a contractual commitment to the student but only reflects the current status of the Board's policies and the school's Code of Conduct. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guidelines prevails.

TRANSPORTATION

The purpose of school bus transportation is to deliver students to and from school. Transportation will be to and from the student's home or pick-up point and school ONLY. Upon dismissal, all students are expected to board their buses. Permission must be granted by the office with a note from both parents to ride an alternate bus. Permission may be denied due to bus spacing.

PARENTAL TRANSPORTATION TO SCHOOL

Parents/guardians transporting their student to school are asked to drop them off and pick them up on the North side of the building. Please follow the signs to ensure the safety of all students and other drivers.

BUS CONDUCT

Bus transportation is a privilege. If a student exhibits unacceptable behavior on the school bus, loss of bus privileges can occur. When riding the bus to and from school, or while on a field trip, students are required to observe the following safety rules. Failure to comply will result in disciplinary action against the student and may even result in having the student removed from the bus.

1. Observe classroom conduct.
2. Be courteous, use no profane language.
3. Do not eat or drink on the bus.
4. Keep the bus clean.
5. Co-operate with the driver.
6. Do not smoke or use tobacco.
7. Do not damage bus or equipment.
8. Stay in your seat.
9. Keep head, hands, and feet inside bus.
10. Do not fight, push, or shove.
11. Do not tamper with bus equipment.
12. Do not bring pets on the bus.
13. Do not bring flammable material on the bus.
14. The bus driver is authorized to assign seats.
15. Have a safe trip.

PENALTIES FOR INFRACTIONS

A student who becomes a behavior problem on the bus shall be disciplined in accordance with the Student Discipline Code and may be deprived of the privilege of riding on the bus. The Board of Education has authorized the installation of video cameras on school buses for purposes of monitoring student behavior. If a student is reported to have misbehaved on a bus and his/her actions were recorded on videotape, the tape will be submitted to the principal and may be used as evidence of the misbehavior. The driver will report misconduct in writing to the principal. Violation of the rules will generally result in a warning, or a bus suspension. **Extreme offenses** may result in removal from the bus, school suspension or expulsion even if on the 1st offense.

RIGHTS AND RESPONSIBILITIES

In public schools, parents and students have certain rights given by federal and state laws. The North Fork Board of Education adopts guidelines and policies based on the federal and state laws. Student safety is a responsibility of the students and staff. All staff members are familiar with emergency procedures such as fire, tornado, and lock-down drills as well as accident reporting procedures. Should a student be aware of a dangerous situation or accident, s/he must immediately notify a staff member.

STUDENT RIGHTS AND RESPONSIBILITIES

The rules and procedures of the school are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights to freedom of expression and association and to fair treatment. Disciplinary procedures are designed to insure due process (a fair hearing) before a student is removed because of his or her behavior.

Students are responsible for:

- Following teacher directions and obeying all school rules.
- Delivery of information to Parents/guardians about academics.
- Arrive on time and be prepared to participate in the educational program.
- Report any issue or problem that concerns your education or safety.
- Read and Understand the entire student handbook.

PARENTS RIGHTS AND RESPONSIBILITIES

- Parents have the right to know how their student is succeeding in school and will be provided information on a regular basis and as needed. *Many times, it will be the responsibility of the student to deliver that information.* If necessary, mail or hand delivery may be used to insure contact. Parents/guardians are encouraged to build a two-way link with their student's teachers and staff by informing the staff of suggestions or concerns that may help their student better accomplish his or her educational goals.
- Check Progress Book and attendance
- Communicate to teachers through email, phone or conferences
- Read and understand the entire student handbook
- Use the online portal to fill out forms, emergency medical and PaySchools to pay for lunches and fees.
- Parents may sign up for One call to receive notifications via, email, phone & text.

EQUAL EDUCATIONAL OPPORTUNITY ACT (B.O.E POLICY 2260, 5517, 5517.01)

It is the policy of this district to provide an equal opportunity for all students. Any person who believes that the school or any staff person has discriminated against a student on the basis of race, color, creed, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the District, or social or economic background, has the right to file a complaint with the principal.

Complaints will be investigated and a response provided to the person filing the complaint. Under no circumstances will the District threaten or retaliate against anyone who raises a complaint.

INDIVIDUALS WITH DISABILITIES

The Americans' with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities. The North Fork Local School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Improvement Act (IDEA). A student can access Special Education services through the proper evaluation and placement procedure. Parent/guardian involvement in this procedure is required. More importantly, the school wants the parent/guardian to be an active participant. To inquire about the procedure or programs, a parent/guardian should contact the Special Education Coordinator.

DIRECTORY INFORMATION NOTICE

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that North Fork Local Schools, with certain exceptions, obtain parental/guardian written consent prior to the disclosure of personally identifiable information from their student's education records. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local education agencies (LEAs) receiving assistance under the Elementary and Secondary Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephones listings – unless parents/guardians have advised the LEA that they do not want their student's information disclosed without their prior written consent. If parents/guardians do not want North Fork Local Schools to disclose directory information from their student's education records without prior written consent, they must notify the District in writing.

DUE PROCESS

Before a student is suspended, the student has the right to Due Process by receiving written notice of the reason for the intended suspension and have an opportunity for an informal hearing.

Before a student is expelled, the student and the parents have the right of Due Process by receiving written notice of the reason for the expulsion and an opportunity for a formal hearing.

In both instances, parents will be given the opportunity to challenge the disciplinary actions.

PARENT COMPLAINT

Parents wishing to file a complaint about a school employee may obtain a "parent complaint" form from the school office or on the District's web site. After the form is completed and submitted to the building principal, the process of solving the complaint will begin. Before a complaint is filed, please try to resolve the issue with the teacher through communication.

VISITORS

All adult members of our community are welcome to visit the school. To avoid interruption of the educational process, students are **not** permitted to bring visitors to school. State law requires any person visiting the school to report directly to the office and secure a visitor's pass. Teachers have an assigned period of time when conferences can take place. Any conference with teachers should be scheduled in advance. Parents/guardians must report directly to the office upon entering the building. 24-hour notices of classroom visits are preferred.

WITHDRAW OR TRANSFER

If a student plans to transfer from North Fork Local Schools, the parent must notify the school counselor or the secretary. School records shall be transferred within fourteen (14) days to the new school district.

STUDENT RECORDS

The teachers, counselors and administrative staff keep many student records. There are two basic kinds of records—directory information and confidential records. A confidential records request can be made available upon request from a parent, guardian or a Records Control Officer in writing within five (5) business days from the date of this notification. Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents/guardian, the adult student, or a surrogate. Included in the confidential records may be test scores, psychological reports, behavioral data, disciplinary actions and communications with the family and outside service providers. The school must have the parents'/guardians' written consent to obtain records from an outside professional or agency. Confidential information that is in a student's record that originates from an outside professional or agency may be released to the parent/guardian through the originator and parents/guardians should keep copies of such records for their home file. Parents/guardians may also provide the school with copies of records made by non-school professional agencies or individuals. Students and parents have the right to review educational records generated by the school district, request amendment to these records, insert addendum to records, and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is wanted, please contact the counselor, in writing, stating the records desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions there may be.

ADDRESS OR PHONE NUMBER CHANGES

If a student has a change of address during the school year, a *Change of Address Form* (available in the office or on the website) must be completed and submitted to the Guidance Office immediately. If a student is moving outside the North Fork Local School District, an Open Enrollment Application (available in the office or on the website) must be completed and submitted to the Guidance Office OR the student should follow the proper procedures to withdraw from the district. Any change of phone number or disconnection of phone service should be reported to the Principal's Office so records may be kept up-to-date.

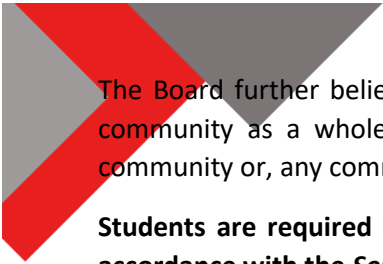

FIRE, TORNADO, AND LOCK-DOWN DRILLS

The school complies with all fire safety laws and will conduct drills in accordance with State law. Students will practice fire, tornado, and lock-down drills throughout the year. Students are expected to become familiar with each drill and observe the procedures developed. Evacuation procedures are posted in each classroom.

SERVICE LEARNING PROGRAM

The Service Learning Program has been initiated to provide the student with a unique and active avenue to help develop a better sense of self and community while also providing meaningful career exploration experience.

The North Fork Board of Education believes that participating actively in community service will enhance students' interpersonal skills and self-esteem, enable them to connect their academic learning to the real world, and make them aware of the wide range of opportunities for service that exist in any community.

The Board further believes that devoting time during a student's school years to serve others or the community as a whole may engender a life-long commitment to service, and, thereby, make this community or, any community where our graduates make a life, a better place.

Students are required to complete a minimum of thirty (30) documented service learning hours in accordance with the *Service Learning Program Requirements* in order to graduate.

For successful completion of the Service Learning Program and for credit to be awarded, students must meet all requirements of the program and submit all necessary paperwork to the designated Service Learning Coordinator no later than May 1st of the school year of completion.

Students who successfully complete the requirements of the Service Learning Program are eligible to receive .25 (1/4) credit for each 30 hours of service.

WORK PERMITS

Any student under the age of eighteen (18) must have a work permit prior to begin work. Minor Work Permit applications and instructions may be obtained from the school website or in the main office of the high school.

ASSEMBLIES

Throughout the year, assemblies may be held in the high school gymnasium. Assemblies are to be treated as learning experiences by students and staff and, in most cases, an extension of the classroom. The presenters are to be respected by the audience at all times.

1. All students are to sit in their designated section, where attendance will be taken. Students not sitting in the correct section or involved in misconduct will be subject to disciplinary action.
2. Student behavior will determine the scheduling of future assemblies. Rude and discourteous behavior may cancel further assemblies.
3. STUDENTS WILL NOT BE PERMITTED TO LEAVE SCHOOL OR SIGN OUT EARLY DUE TO ASSEMBLIES WITHOUT AN EXCUSABLE LETTER FROM THEIR PARENT OR GUARDIAN. A CALL WILL ALSO BE MADE HOME. **AN ASSEMBLY IS CONSIDERED PART OF THE SCHOOL DAY AND EXCUSES THAT ARE NOT NORMALLY ACCEPTED WILL NOT BE HONORED.** **Any student asked to leave an assembly will receive a detention and will not be permitted to attend assemblies the remainder of the school year.

PEP RALLIES

Pep rallies are held in the gymnasium prior to some athletic contests and run approximately 20 minutes.

LOCKERS

A locker is assigned to each student on the first day of school. Once these lockers are provided, their care becomes the responsibility of the student. The school is not responsible for lost or damaged items. Lockers are the property of North Fork Local School District and the contents of all lockers are subject to random searches without regard to reasonable suspicion.

Students having a problem with their locker should notify the Main Office or Counseling Office.

STUDENT HEALTH

IMMUNIZATIONS

Students attending school are required to have proof of immunizations against Meningitis, diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hepatitis, chicken pox, tuberculosis testing (if enrolling from a foreign country), and any other immunization required by Ohio law and Board policy. Those students not providing proof of required immunizations or a signed written statement of parental religious objection within fourteen (14) calendar days of school attendance will be subject to exclusion. Any questions about exemptions or immunizations should be directed to the NFLSD Nurse.

INJURY/ILLNESS

Injuries must be reported to a staff member or the office staff. If minor, the student will be treated and may return to class. If medical attention beyond the school staff is required, the school emergency procedures will be followed. A student who becomes ill during the school day must request permission from the teacher to go to the office. The office staff or school nurse will determine whether or not the student should remain in school.

EMERGENCY MEDICAL AUTHORIZATION FORM

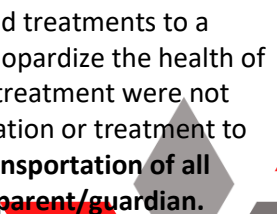

State law requires that all students must have a completed Emergency Medical Authorization Form signed by a parent/guardian on file in the school office. **Failure to turn in forms may result in the student being excluded from school within 14 days.** Notify the school if any telephone numbers, address or contacts have been added or changed during the school year. No student will be released from school without parental permission unless a serious or life-threatening condition warrants transportation to an emergency room. A reasonable attempt to contact the parent/guardian prior to transport will be made. If a parent/guardian is not present to ride with the student in the emergency vehicle, a school staff member will accompany the student and meet the parent/guardian at the hospital. **CONDITIONS THAT MAY REQUIRE EXCLUSION FROM SCHOOL**

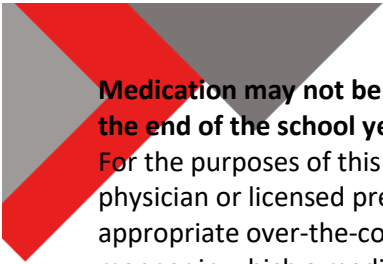

The Ohio Department of Health has provided specific guidelines for preventing the spread of highly contagious infections in the school environment. These guidelines are meant to protect your student and others from unnecessary exposure to infectious or communicable organisms. If these conditions are found or suspected by school staff, a parent/guardian will be contacted to take the student home. A student should not be in school if any of the following conditions are present:

- Any contagious bacterial or fungal infection until treated with antibiotics for at least 24 hours including, but not limited to, strep throat, conjunctivitis, ringworm, skin infections and scarlet fever.
- Fever of 100 degrees F or higher within 24 hours
- Undiagnosed redness and secretions from the eye/s
- Vomiting or diarrhea within 24 hours
- Head lice; per discretion of the school nurse

USE OF MEDICATIONS

The North Fork Board of Education shall not be responsible for the diagnosis and treatment of student illnesses. The administration of prescribed medication and/or medically prescribed treatments to a student during school hours will be permitted only when failure to do so would jeopardize the health of the student, the student would not be able to attend school if the medication or treatment were not made available during school hours or if the child has a disability requiring medication or treatment to benefit from his/her educational program. **For the safety of our students, the transportation of all medication and medical supplies to and from school is the responsibility of the parent/guardian.**

Medication may not be transported on the bus. Any medication or medical equipment remaining at the end of the school year will be discarded one week after the last day of school.

For the purposes of this policy, “prescribed medication” shall include all medicines prescribed by a physician or licensed prescriber. Non-prescription medications shall include all age and/or weight appropriate over-the-counter drugs, preparations, and/or remedies. “Treatment” refers both to the manner in which a medication is administered and to health-care procedures that require special training, such as tube feedings or catheterizations. Students must stay in office and take medication in the presence of a staff member.

PRESCRIPTION MEDICATIONS

Before any prescription medication or treatment may be administered to any student during school hours, the North Fork Board of Education requires the student’s physician/licensed prescriber and parent/guardian to complete a Medication and Treatment Authorization Form. This form is to be renewed each school year. This document shall be kept on file in the school office. Prescription medication must be in the original container, labeled with the date, student’s name, prescriber’s name and exact dosage. Staff designated by the superintendent may administer prescription medication or treatment as authorized in writing on the authorization form by a physician/licensed prescriber and parent/guardian. All prescription medications must be stored and locked in the middle school office. However, students shall be permitted to carry and use an asthma inhaler or Epi-Pen with prior written permission from parent/guardian and licensed prescriber as indicated on the Medication and Treatment Authorization form.

NON-PRESCRIPTIONS/OVER-THE-COUNTER MEDICATIONS

All medications must be provided by the parent/guardian and will be stored in the middle school office and administered by authorized school personnel or the child’s parent/guardian only. The North Fork Local School District does not supply medications. Non-prescription medications must be in the original container with the student’s name, current expiration date, dosing guidelines to validate appropriate dose for age and/or weight. Examples of non-prescription medications that may be stored and administered at school are: Tylenol, Motrin, Advil, Benadryl, Tums, Maalox, cold and cough medicines, and lactase products. All medications are to be provided by the parent/guardian and may not be transported on the bus. The North Fork Local School District does not supply medications. Any medication or medical equipment remaining at the end of the school year will be discarded one week after the last day of school.

HEALTH SCREENING PROGRAMS

The North Fork Local School District is continually concerned about the welfare and progress of children in the school. In an effort to consider your student’s educational needs, the school conducts a variety of health screenings under the supervision of the school health staff and the speech/language pathologist to provide important information about each student. You will be notified if any of the screenings indicate problems or if there is a need for further medical advice. If you do not wish your student to participate in any of these screening programs, please contact the school immediately. The evaluations that may pertain to your student (age and/or need appropriate) are listed below:

- speech/language screening
- hearing screening
- vision screening
- postural screening

In addition to these screenings, the nurse and speech/language pathologist cooperate with students, teachers, parents, administrators, guidance counselors, community agencies, physicians and other pertinent professionals as deemed necessary.

POSITIVE BEHAVIOR INTERVENTIONS & SUPPORTS

PBIS is a process supported by the Ohio State Department of Education and Utica High School to teach desired behavior, identify and respond to undesired behaviors and recognize positive behaviors in students. The tier system of supports helps the whole child on their academic, behavioral and social emotional well-being.

ATTENDANCE

The faculty and administration of the North Fork Local School District believe that regular school attendance is one of the best indicators of a student's academic success. Regardless of the reason for absence, each missed class interferes with a student's ability to master the skills necessary to be successful in school. It is the responsibility of the parent/guardian to ensure that their student maintain consistent, punctual, daily attendance.

ATTENDANCE POLICY 3.0

Attendance is taken at the beginning of each school day and reported directly to the office. Students are expected to be on time to school and classes.

EXCESSIVE ABSENCES (EXCUSED & UNEXCUSED COMBINED) (O.R.C 3321.191)

A parent or guardian will be notified if a student has **excessive absences** which are defined as:

- Student is absent 38 or more hours in one school month with or without a legitimate excuse.
- Student is absent 65 or more hours in one school year with or without a legitimate excuse.

HABITUAL TRUANCY (UNEXCUSED ABSENCES) (O.R.C 3321.191)

A parent or guardian will be notified if a student is habitual truant which is defined as:

- Student is absent 30 or more consecutive hours without a legitimate excuse.
- Student is absent 42 or more hours in one school month without a legitimate excuse.
- Student is absent 72 or more hours in one school year without legitimate excuse.

When a student becomes Habitually Truant the school will create an Absence Intervention Team. The team will include the student, parents, staff and the attendance office to create an Absence Intervention Plan. The student has 60 days to implement the plan. If the student does not make progress on the plan, as determined by the team, the attendance officer must file a complaint in the juvenile court against the student.

If at any time during the implementation of the plan, the student is absent without legitimate excuse 30 or more consecutive hours or 42 or more hours in one school month, the school must have the attendance officer file a complaint against the student.

EXCUSED ABSENCE WITH LEGITIMATE EXCUSE (O.R.C 3321.04)

The Ohio Revised Code states that every parent, guardian, or other person having charge of any school age child must send such child to a school. Such attendance must begin within the first week of the school term, or within one week of the date on which the child begins to reside in the district. As outlined in the ORC and Board Policy, the following are legitimate reasons for an excused absence from school:

1. Personal illness (a written physician's statement verifying the illness is required)
2. Illness in the family necessitating the presence of the child
3. Quarantine of the home
4. Death in the family
5. Work at home due to the absence or incapacity of a parent or guardian
6. Observance of a religious holiday
7. Medical or dental appointments (a written physician statement verifying the appointment is required)
8. Medically necessary leave (ordered by a doctor)
9. Emergency or set of circumstances the Superintendent constitutes as a good and sufficient cause for absence from school.

Absences from school for reasons other than those listed above will be considered unexcused.

NOTIFYING THE SCHOOL OF ABSENCES

Parents/Guardians should call the school when their student is absent. Please provide the student's name and reason for the absence. Parents may leave a message on voicemail if needed. Calling into the school does not count as a legitimate excuse. Students will be marked unexcused until a legitimate excuse is received.

LEGITIMENT EXCUSE COMMUNICATION (MUST INCLUDE)

1. Student's first & last name
2. Date of absence
3. Reason for absence
4. Parent or guardian's signature.

Absence notes must be provided to the office **within three (3) days** after the student returns to school.

ABSENT	TARDY TO SCHOOL/CLASS
Students entering school more than one-half hour after the school start time will be counted as an unexcused absence unless a legitimate excuse is provided to the office. In addition, students leaving more than one-half hour before the end of the school day will be counted as an unexcused absence unless a legitimate excuse is provided to the office.	Students are expected to be to school and in class on time. Students entering the building less than one-half hour after the school start time will be counted as unexcused tardy unless a legitimate excuse is provided. CLASS Teachers are to report to the office on a discipline report form any student who has been tardy to class three (3) times in a grading period. Excessive Tardiness Consequences: <ul style="list-style-type: none">• Fourth Tardy: Lunch detention from the office.• Fifth Tardy: Lunch detention from the office.• Sixth Tardy: After school detention.• Seventh Tardy: After school detention.• Eighth Tardy: Referral for additional discipline.
Attendance is calculated using hours. Time missed due to a student being late to school or leaving early also counts towards absence hours.	

STUDENT SIGN OUT/SIGN IN PROCEDURE

Any student leaving school during the day must be signed out in the High School office by parent, guardian, or preauthorized adult. Students are not permitted to leave or ride with anyone other than their parent/guardian or an adult designated by their parent/guardian.

Students returning to school after signing out must sign in at the High School office upon arrival.

Students arriving late for school must sign in at the High School office.

Students leaving the school building without permission, leaving school grounds without signing out in the office, or not being where they are supposed to be will be considered truant and will be subject to the consequences listed below:

- 1.) **First Offense:** Parents will be notified by phone or email. The student will serve one after school detention
- 2.) **Additional Offenses:** Parents will be notified by phone or email. The student will serve an in-school suspension.

PRE-PLANNED ABSENCES

These absences require advanced notification and approval of the building administration (i.e. family trips/vacations). Pre-planned absence forms may be picked up in the office and should be completed at least one week in advance of the absence.

SCHOOL PROCEDURE FOR REPORTING ABSENCES TO PARENTS

If the school is not contacted by the parent/guardian prior to an absence, the school will make a reasonable attempt to contact the parent/guardian at home or work. Automated calls from our One Call System will go out around 10:00 am each day.

MISSED ASSIGNMENTS & MAKE-UP WORK

It is the responsibility of the student to arrange for and complete missed assignments due to absence. Students should either email their teachers during the absence or immediately upon return to school to make the necessary arrangements with their teachers for collecting and completing missed assignments. Students will be permitted one day for each excused absence day to turn in the assignments for full credit. If the student is absent on a day in which a test is given, the student will be responsible to take the test on the day they return or at the discretion of the teacher. Students who miss three or more consecutive days of school may request assignments to be collected. Requests should be received by the office no later than one-half hour after the start of school and can be picked up after 2:30 pm.

DENIAL OF COURSE CREDIT: DUE TO ABSENCE IN THE CLASSROOM

Any student who accrues non-professional absences in excess of four (4) days in a nine-week grading period will be subject to receive zeroes on assignments for every additional day of non-professional absence for the remainder of the 9 weeks for each class that this takes place. Each new nine weeks every student will begin with a clean slate with regard to period attendance. Denial of credits can be appealed in writing to the building principal.

EIGHTEEN-YEAR-OLD STUDENTS

Any student eighteen (18) years of age or older must follow the attendance policy above.

If a course is dropped after the first grading period, a grade of "F" will be recorded. The only exception is if a student's health is a factor, and it is verified by a physician in writing for such exceptions or by the approval of the principal. The "F" may be waived.

FIELD TRIPS

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the co-curricular program. No student may participate in any school-approved trip without parent/guardian consent. Student Code of Conduct rules apply to all field trips. Parents/guardians have the right to deny participation. Any student not participating will be given schoolwork of an enrichment nature while the other students are gone.

GRADING SYSTEM

The grading system for Utica High School is based on four grading periods, each nine weeks in length. The grading periods are divided into two semesters (90 days each, or 180 days in session for the school year). For each grading period, a student will receive a letter grade for each course taken.

GRADING SCALE

90-100 = A

80-89 = B

70-79 = C

60-69 = D

0-59 = F

Any student receiving a “U”, “D”, or “F” in any course cannot be on the Honor Roll or Merit Roll

Incomplete Grades

Incomplete grades may be assigned for medical/emergency situations with the principal’s approval. A student who receives an incomplete (I) for a grading period will be given ten days from the end of the grading period to complete work, unless special permission is received from the principal. If work is not completed within this time, the incomplete grade will convert to an F.

PHYSICAL EDUCATION WAIVER

The physical education requirement for graduation may be waived for students who have successfully completed at least two (2) full seasons of interscholastic athletics, marching band, bowling, or cheerleading as defined in the OHSA handbook, while enrolled in grades 9 through 12, and as documented by the Athletic Director.

A signed and completed Physical Education Waiver Intent Form must be received by the school counselor **no later than September 1** of the school year in which the student participates in the activity.

HOMEWORK

Homework will be assigned to reinforce skills learned in school and to develop responsibility in completing tasks. Homework can be defined as unfinished classwork, long term projects, weekly review sheets, studying for tests, quizzes, math facts, etc. Each teacher will communicate their Homework Expectation Policy in the classroom and posted on their website. Parents/guardians should check the student’s assigned/graded work in Progress Book. A student is allowed an amount of time equivalent to the time of absence to make-up assignments.

ELIGIBILITY (ATHLETIC HANDBOOK)

FOR STUDENTS ENROLLED IN GRADES 9-12:

- In the immediately preceding grading period, a student must receive a passing grade in a minimum of five (5) one-credit courses, or the equivalent, which count toward graduation; AND can't have 2 F's in the grading period.
- A student enrolled in the first grading period after advancement from the eighth grade must have passed a minimum of four subjects in the preceding grading period in which the student was enrolled AND can't have 2 F's in the grading period.

All PARTICIPANTS

- Will have their scholastic eligibility checked at the midterm each 9 weeks. Students may be placed on Academic Probation for 1 week if they meet any of the following conditions: 1. The student is not passing 5 classes. 2. The student has at least 1 F in a core class. The student must be passing 5 classes AND have Zero F's in core classes by the end of the 1-week probation period to remain eligible. If the student is still not passing 5 classes AND is still failing a core class at the end of the probation period they will become ineligible for 1-week periods until they meet the requirements.

Eligibility requirements are clearly defined in the Ohio High School Athletic Association Constitution and Bylaws. Ultimately, the understanding of and acknowledgement to meet all eligibility requirements falls upon the student-athlete and his/her parent/guardian.

PARENT/TEACHER CONFERENCES

Utica High School will hold Parent/Teacher conferences on specific dates throughout the year. Please check the school website for dates and scheduling instructions of Parent/Teacher conferences. These occasions are meant to help open the lines of communication between parents/guardians and teachers. If additional time or conferences are needed, arrangements may be made through the teacher or by contacting the office.

PROGRESS REPORTS/REPORT CARDS

Progress reports are printed and sent home with all students half way through the grading period. Report cards will be issued after each nine weeks of instruction and can be found on Progress Book. Please contact the school secretary for a paper copy. Parents/guardians have on-going access to their student's academic progress through Progress Book. Contact the middle school office for information on how to receive login information.

INCOMPLETE ON REPORT CARD

Student who are absent or suspended at the end of the grading period, may receive an incomplete. Follow the absence policy for allotment of time. Incomplete work not made up within this time may result in a failing mark being recorded. **PROMOTION, RETENTION, PLACEMENT**

In making decisions concerning proper grade level assignment (**retention and promotion**) the following areas will be taken into consideration in grades 6-8:

- student's academic progress
- developmental age of the student
- social and emotional well-being of the student
- attendance of the previous year
- test results

In cases of **retention**, the parent/guardian will be contacted in advance, although the final decision will rest with the principal, with an appeal to the superintendent. Retention is viewed as another opportunity for growth at a particular level.

Placement in the next grade may be noted on record rather than promotion if a student's work continues to be unsatisfactory after retention.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with the Ohio State Standards and District policy. Unless exempt, each student will be expected to pass the appropriate state-mandated achievement assessment. Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests are used to help the staff determine instructional needs.

HONOR SOCIETY SELECTION PROCEDURES

Selection of students for membership in National Honor Society is the responsibility of the Utica High School Faculty Council, which consists of five teachers selected annually by the principal. The principal and assistant principal cannot be included in the Faculty Council. The following procedure is recommended:

1. The selection procedure should be determined by the Faculty Council and must be published.
 2. Students' academic records should be reviewed to determine scholastic eligibility.
 3. If additional faculty input would be beneficial, all faculty members could be invited to make comments on candidates using a faculty evaluation sheet. However, the actual selections must be made by the five appointed members of the Faculty Council. It is not permissible to take an entire faculty vote.
 4. The Student Activity Information Form should be reviewed by the Faculty Council, along with verifiable information about each candidate and his or her activities which define the candidate's leadership, service, and character. Some Faculty Councils may wish to interview candidates personally.
 5. Selection: Candidates receiving a majority vote of the Faculty Council should be inducted into the chapter. If a point system is used to evaluate candidates, the cut-off point should be determined prior to reviewing candidates.
 6. Notification: Students who are selected, and their parents, will be notified of their selection and given information regarding the upcoming induction ceremony and the obligations of membership in NHS. Students not selected will be given a form highlighting areas of needed improvements, prepared by the faculty council.
- Prior to the induction ceremony, advisor(s) will verify the acceptance of all selected members in order to plan effectively.

GRADUATION

CREDITS EARNED TOWARD GRADUATION FROM OTHER INSTITUTIONS

In accordance with Section 3365.02 of the Ohio Revised Code, students from Utica High School may enroll at a college, on a full-time or part-time basis, and complete nonsectarian courses for high school and/or college credit. Further information may be obtained from the Guidance Office.

EARLY GRADUATION POLICY

Students contemplating possible early graduation should see the school counselor for requirements. **An application must be completed before the end of the student's sophomore year to qualify.** (Board of Education Policy #5460)

GRADUATION REQUIREMENTS

Before students may graduate from Utica High School, they must meet the requirements established by the State of Ohio and the North Fork Board of Education. Local graduation standards presently exceed state requirements.

GRADUATION EXERCISES

Because the school operates under an annual promotion policy and therefore, holds annual commencements, the following procedures shall be applicable:

- a. Approved students completing graduation requirements at the end of eight semesters are expected to attend and participate in the graduation ceremony and practice.
- b. A student may not participate in the graduation exercises or be issued a diploma until all classes are completed, credits earned, and requirements met. Any exceptions to the rule must be approved by the Board of Education.

RANK IN CLASS

Students are ranked at the end of the sixth, seventh, and eighth semesters for the purpose of making college recommendations.

VALEDICTORIAN AND SALUTATORIAN

The valedictorian will be the student with the highest final grade point average (GPA) in the senior class. The grade point average for valedictorian will be calculated at the conclusion of final grades of their senior year. This will mean that notification of valedictorian will take place after students have taken their final exams. The standing or rank in the senior class and the top scholastic honors of Valedictorian and Salutatorian will be determined by averaging the higher of the final average for each subject taken in grades 9 - 12.

In case of ties in GPA, if all grades are identical, the student with the highest number of Advanced Placement/Honors courses will be awarded the appropriate Valedictorian/Salutatorian status. If there is still a tie for Valedictorian, Co-Valedictorians will be honored, in alphabetical order. If there is still a tie for Salutatorian, Co-Salutatorians will be honored, in alphabetical order.

This determination is not official until students are notified by the principal during the fourth quarter of their senior year. This honor may be withdrawn due to poor performance either academically or behaviorally and thereby not exemplifying the high standards and ideals expected of one so honored.

STUDENT CONDUCT

At Utica High School we develop and enhance respectful behavior while protecting and nurturing the physical, social, mental, and emotional growth of our students. Discipline policies and procedures recognize the inherent dignity and rights of each individual. When a student deviates from the standard expected behavior, disciplinary action will be taken. Consequences are designed to help change behavior and guide the student in making more appropriate decisions in the future. Infractions may result in parent conferences, compensatory payment of damages, detentions, alternative (Saturday) school, in-school suspension, out of school suspension, and/or recommendation for expulsion. Failure to serve the assigned consequences will result in further discipline. The principal reserves the right to deviate from the order of discipline.

DRESS CODE

Although the major responsibility for good grooming rests in the home with each student and his/her parents, the school has certain concerns based on considerations of health, safety, and the maintaining of a school atmosphere that promotes study and learning. When attire becomes extreme, or in the opinion of the school's professional staff, violates health or safety regulations, becomes a distraction to others, or violates commonly accepted standards of modesty, such appearance is not acceptable.

The Dress Code applies to all students, grades 9-12, enrolled in the North Fork Local School District.

1. In school, students should be clean. Clothes, personal articles, or tattoos shall not contain profane, obscene, degrading or other forms of offensive lettering or designs, (e.g. Coed Naked, Big Johnson, gang-related, satanic, or hate group, etc.) Clothing advertising or insinuating alcohol, tobacco products, racism, drugs, sex, death messages, etc. is not permitted. Students must wear shoes or sandals at all times that fit properly and do not pose a risk to health and/or safety. Shoes that cover the feet entirely must be worn in Chemistry and Industrial Tech classes, and from time to time, in other classes.
2. Hats, bandanas, headgear, bare midriffs, pants containing excessive holes or sweatpants that are unsightly, non-prescription sunglasses, tank tops (that show or do not cover the side to the armpit), see-through garments or revealing shirts or blouses, or revealing clothing of any kind are not permitted. Sleeveless tops should be closed at the arms, in good taste and have sides that cover the torso. Shorts and skirts may be no shorter than extended fingertip length (as it pertains to each individual) or at the discretion of the administration.
3. Hats must be kept in lockers during school (between the operating school hours or unless an adjusted schedule is in place). Staff has the right to confiscate hats. Refusal to surrender a hat to a staff member constitutes insubordination, which is subject to disciplinary consequences.
4. Items that can injure others or cause damage to school property such as chains, shoe cleats or plates, etc. are not permitted.
5. Jackets, blankets (or coverings such as) and coats should be left in the student's locker. Students may wear sweaters or sweatshirts if they become cold during the school day.
6. Shorts are permitted during the school year as long as the following guidelines are followed: short shorts, bicycle shorts or similar, or swimsuits are not allowed. Undergarments may not be showing (or seen through garments as well) when wearing shorts, pants, or summer tops. Styles that create, or may create, a classroom disturbance are not permitted).
7. Students violating the dress and grooming policy will be required to comply with the guidelines. If necessary, students will be sent home to change or sit in the office until a parent picks them up.

BACKPACKS

Students must place all backpacks, bags, purses, and other non-instructional personal belongings in the locker that has been assigned to them prior to U-Time, or upon entering the building if the student arrives after the school day begins. These items must remain in the locker from 7:30 until 2:18 or until the student signs out of the building. Students will be permitted to visit their lockers before and after the school day, between class periods, or with permission from a staff member. Questions regarding what is required to remain in lockers during the school day should be directed to the building administrators.

PERSONAL COMMUNICATION DEVICES (B.O.E POLICY 5136)

For purposes of this policy, “personal communication device” (PCD) included computers, tablets (e.g., iPad-like devices), electronic readers (“e-readers”; e.g., Kindle-like devices), cell phones, smartphones (e.g., iPhones, Android devices, Windows Mobile devices, etc.), telephone paging devices (e.g., beepers or pagers), ear buds, smart watches, and/or other web-enabled devices of any type.

Students may use PCDs before and after school, during after school activities (e.g., extra-curricular activities), or at school-related functions. Use of PCDs, except those approved by a teacher or administrator, at any other time is prohibited and they must be powered completely off (i.e., not just placed into vibrate or silent mode) and stored out of sight. Students may use devices in the hall between classes, lunch time, and under certain guidelines during study hall (As it pertains to the instructor of study hall and/or administration). Devices/PCDs are not permitted during instructional time unless a teacher permits the use due to need/documentation. Each teacher/classroom may and can implement a station or holder for students to turn in their PCDs until notified that instructional time is over. This guideline is to be followed as a part of the classroom guidelines set by the teacher. During instructional time calls to and from parents/guardians are to follow the phone policy through the office. Students are able to take their phone with them to the office when making/returning a phone call.

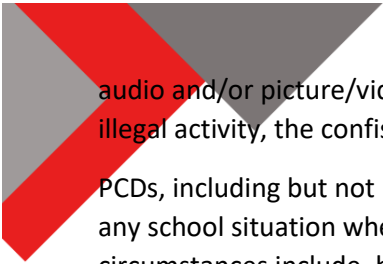

Students may not use PCDs on school property or at a school-sponsored activity to access and/or view Internet web sites that are otherwise blocked to students at school.

Students may use PCDs while riding to and from school on a school bus or other Board-provided vehicles or on a school bus or Board-provided vehicle during school-sponsored activities, at the discretion of the bus driver, or sponsor/advisor/coach. Distracting behavior that creates an unsafe environment will not be tolerated.)

During after school activities, PCDs shall be powered completely off (not just placed into vibrate or silent mode) and stored out of sight when directed by the administrator or sponsor.

Under certain circumstances, a student may keep his/her PCD "On" with prior approval from the Principal.

Except as authorized by a teacher, administrator or IEP team, students are prohibited from using PCDs during the school day, including while off-campus on a field trip, to capture, record and/or 34 transmit the words or sounds (i.e., audio) and/or images (i.e., pictures/video) of any student, staff member or other person. Using a PCD to capture, record and/or transmit audio and/or pictures/video of an individual without proper consent is considered an invasion of privacy and is not permitted. Students who violate this provision and/or use a PCD to violate the privacy rights of another person shall have their PCD confiscated and held until a parent/guardian picks it up, and may be directed to delete the

audio and/or picture/video file while the parent/guardian is present. If the violation involves potentially illegal activity, the confiscated-PCD may be turned over to law enforcement.

PCDs, including but not limited to those with cameras, may not be activated or utilized at any time in any school situation where a reasonable expectation of personal privacy exists. These locations and circumstances include, but are not limited to, classrooms, gymnasiums, locker rooms, shower facilities, restrooms/bathrooms, and any other areas where students or others may change clothes or be in any stage or degree of disrobing or changing clothes. The Superintendent and Principal are authorized to determine other specific locations and situations where use of a PCD is absolutely prohibited.

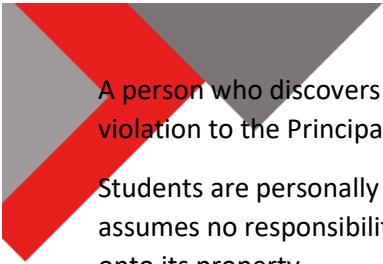

Students shall have no expectation of confidentiality with respect to their use of PCDs on school premises/property.

Students may not use a PCD in any way that might reasonably create in the mind of another person an impression of being threatened, humiliated, harassed, embarrassed or intimidated. See Policy 5517.01 – Bullying and Other Forms of Aggressive Behavior. In particular, students are prohibited from using PCDs to: 1) transmit material that is threatening, obscene, disruptive, or sexually explicit or that can be construed as harassment or disparagement of others based upon their race, color, national origin, sex (including sexual orientation/transgender identity), disability, age, religion, ancestry, or political beliefs; and 2) engage in "sexting" - i.e., sending, receiving, sharing, viewing, or possessing pictures, text messages, e-mails or other materials of a sexual nature in electronic or any other form. Violation of these prohibitions shall result in disciplinary action. Furthermore, such actions will be reported to local law enforcement and child services as required by law.

Students are also prohibited from using a PCD to capture, record, and/or transmit test information or any other information in a manner constituting fraud, theft, cheating, or academic dishonesty. Likewise, students are prohibited from using PCDs to receive such information.

Possession of a PCD by a student at school during school hours and/or during extra-curricular activities is a privilege that may be forfeited by any student who fails to abide by the terms of this policy, or otherwise abuses this privilege.

Violations of this policy may result in disciplinary action and/or confiscation of the PCD. The Principal will also refer the matter to law enforcement or child services if the violation involves an illegal activity (e.g., child pornography, sexting). Discipline will be imposed on an escalating scale ranging from a warning to an expulsion based on the number of previous violations and/or the nature of or circumstances surrounding a particular violation. If the PCD is confiscated, it will be released/returned to the student's parent/guardian after the student complies with any other disciplinary consequences that are imposed, unless the violation involves potentially illegal activity in which case the PCD may be turned-over to law enforcement. A confiscated device will be marked in a removable manner with the student's name and held in a secure location in the building's central office until it is retrieved by the parent/guardian or turned-over to law enforcement. School officials will not search or otherwise tamper with PCDs in District custody unless they reasonably suspect that the search is required to discover evidence of a violation of the law or other school rules. Any search will be conducted in accordance with Policy 5771 – Search and Seizure. If multiple offenses occur, a student may lose his/her privilege to bring a PCD to school for a designated length of time or on a permanent basis.

A person who discovers a student using a PCD, in violation of this policy is required to report the violation to the Principal.

Students are personally and solely responsible for the care and security of their PCDs. The Board assumes no responsibility for theft, loss, or damage to, or misuse or unauthorized use of, PCDs brought onto its property.

Parents/Guardians are advised that the best way to get in touch with their child during the school day is by calling the school office. Procedure from the office is to call the classroom and/or send someone to the class to retrieve the student and have them come to the office. Once there, students may use school phones to contact parents/guardians during the school day.

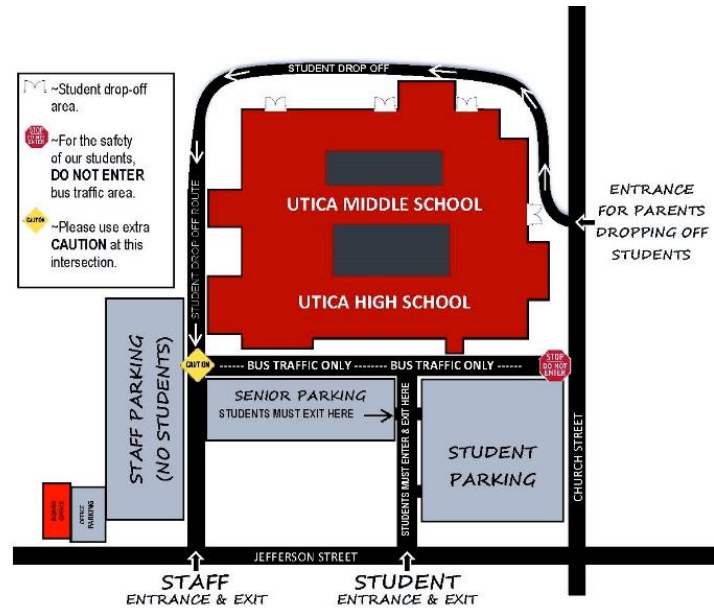

DRIVING & PARKING PRIVILEGES

Students are accorded the privilege of driving their vehicles to school, so long as they observe safe rules of operation and follow school regulations. Vehicles must be registered with the office and must display a valid parking permit. **As a mandatory part of the registration process, students must agree to submit to random drug testing as a condition of parking on school property. Additionally, any student who parks on school grounds shall be considered to have given implied consent to a search of such vehicle at any time a search is requested by the school administration. Failure to comply with a reasonable search will be considered insubordination, which is punishable by disciplinary consequences.**

Violations of the above rules will be handled as stated in the Student Handbook.

BULLYING (O. R. C. 3313)

Ohio law defines bullying as harassment and intimidation in Ohio schools as any intentional written, verbal, graphic, or physical act that a student or group of students exhibits toward another particular student more than once (repeatedly), and the behavior both:

- Causes mental or physical harm to the other student;
- Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

Harassment, intimidation, or bullying also means electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student or a group of students exhibits toward another particular student more than once, and the behavior both causes mental and physical harm to the other student, and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name calling, taunting, making threats, and hazing.

Facts to know about bullying:

- Bullying is disrespectful and can be dangerous, humiliating and life threatening.
- Bullying on the basis of race, ethnicity, religion, disability or sexual orientation is a form of bias or hate and should not be dismissed as teasing.
- Bullying behavior that continues into adulthood may turn into violent behavior toward strangers, friends and family.

Questions Administrators ask:

1. Is the act intentional?
2. Did the act occur more than once?
3. Did both parties actively participate?
4. Did the act cause mental or physical harm?
5. Is the act severe, persistent, or pervasive (spreading) which creates an abusive educational environment?
6. Did the repeated act have a negative impact on the educational, physical, or emotional well-being of the other student?

Actions taken:

1. Did an investigation take place to any written or verbal reported cases of bullying?
2. Document the incident in writing
3. Were remedial or disciplinary steps put in place to eliminate any verified act of bullying or harassment?
4. Keeping confidentiality and FERPA in mind -were the parents notified of the investigation, students involved, and outcome?

How can parents/guardians help prevent bullying?

Parents/guardians are their children's first teachers. Whatever parents/guardians say and do at home, their children are likely to imitate and repeat in other settings. The most important skills that parents/guardians can teach their children are to speak and act in respectful ways and to solve problems fairly and peacefully. Here are suggestions to help parents/guardians teach by example:

At Home:

- Talk with children often and listen carefully to what they have to say.
- Discuss bullying behavior and how hurtful it can be to others.
- Make behavioral expectations clear and be consistent with discipline when siblings and peers engage in hurtful teasing and bullying.
- Help children understand the meaning of friendship by modeling friendly behavior.
- Discuss the fact that all people deserve respect, even though their individual characteristics and personalities may differ from the expected.
- Urge children to tell an adult when they are being bullied.

At School:

- Learn the school rules, expected behavior and consequences of bullying.
- Participate at school, offer services and attend school-sponsored activities.
- Communicate regularly with your child's teachers.
- Report bullying behavior immediately when you become aware that it is happening.
- Ask for and accept the school's help if your child is a target, a bully or a bystander.

NON-DISCRIMINATION

In accordance with federal and state laws and regulations and Board policies, any student or parent of a student who believes that the student has been discriminated against based upon race, sex, sexual orientation, religion, national origin, age, gender identity or expression, ancestry, familial status, military status or disability, may bring forward an informal or formal complaint to the building administrator. Whenever possible and practical, an informal solution to the alleged complaint is encouraged and should be attempted. If an acceptable informal solution cannot be attained, formal complaint procedures shall be followed as set forth in Board policy.

SEARCH & SEIZURE

School authorities are charged with the responsibility of safeguarding the students in their care. In the discharge of that responsibility, school authorities may search the person or property (including vehicles, purses, knapsacks, gym bags, etc.) of a student, with or without the student's consent, whenever they reasonably suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. General housekeeping inspection of school property may be conducted with reasonable notice. ***Student lockers are the property of the North Fork Local Schools, and random searches of lockers and their contents may be conducted. Unannounced and random canine searches***

may also be conducted. Note. Disciplinary action may be adjusted and the disciplinary cycle may be altered at the discretion of the administrator depending on the severity of the infraction.

STUDENT CODE OF CONDUCT

The administration and faculty expect that all students will exhibit proper behavior, respect, and common courtesy. This is expected before, during, and after school hours. As required by the Ohio Revised Code 3313.661, the North Fork Board of Education has adopted the **Student Code of Conduct** which outlines those behaviors considered unacceptable in the Middle School and for which a student may be suspended, expelled, or removed.
