UTICA MIDDLE SCHOOL MISSION STATEMENT

At UMS we work together to learn each day to create the best versions of ourselves. We are kind and respectful to all. We show UMS pride!

GENERAL INFORMATION

This student handbook was developed to answer many of the commonly asked questions that may come up during the school year. Please take the time to become familiar with the information contained in this handbook. This handbook does not serve as a contractual commitment to the student but only reflects the current status of the Board's policies and the school's Code of Conduct. If any of the policies or administrative guidelines referenced herein are revised, the language in the most current policy or administrative guidelines prevails.

TRANSPORTATION

The purpose of school bus transportation is to deliver students to and from school. Transportation will be to and from the student's home or pick-up point and school ONLY. Upon dismissal, all students are expected to board their buses. Permission must be granted by the office with a note from both parents to ride an alternate bus. Permission may be denied due to bus spacing.

PARENTAL TRANSPORTATION TO SCHOOL

Parents/guardians transporting their student to school are asked to drop them off and pick them up on the North side of the building. Please follow the signs to ensure the safety of all students and other drivers.

BUS CONDUCT

Bus transportation is a privilege. If a student exhibits unacceptable behavior on the school bus, loss of bus privileges can occur. When riding the bus to and from school, or while on a field trip, students are required to observe the following safety rules. Failure to comply will result in disciplinary action against the student and may even result in having the student removed from the bus.

1. Observe classroom conduct.
2. Be courteous, no profane language.
3. Do not eat or drink on the bus.
4. Keep the bus clean.
5. Co-operate with the driver.
6. Do not smoke or use tobacco.
7. Do not damage bus or equipment.
8. Stay in your seat.
9. Keep head, hands, and feet inside bus.
10. Do not fight, push, or shove.
11. Do not tamper with bus equipment.
12. Do not bring pets on the bus.
13. Do not bring flammable material on the bus.
14. The use of sprays or perfumes on the bus are prohibited
15. The bus driver is authorized to assign seats.
16. Have a safe trip.

PENALTIES FOR INFRACTIONS

A student who becomes a behavior problem on the bus shall be disciplined in accordance with the Student Discipline Code and may be deprived of the privilege of riding on the bus. The Board of

Education has authorized the installation of video cameras on school buses for purposes of monitoring student behavior. If a student is reported to have misbehaved on a bus and his/her actions were recorded on videotape, the tape will be submitted to the principal and may be used as evidence of the misbehavior. The driver will report misconduct in writing to the principal. Violation of the rules will generally result in a warning, or a bus suspension. **Extreme offenses** may result in removal from the bus, school suspension or expulsion even if on the 1st offense.

STUDENT AND PARENTS RIGHTS AND RESPONSIBILITIES

The rules and procedures of the school are designed to allow each student to obtain a safe, orderly, and appropriate education. Students can expect their rights to freedom of expression and association and to fair treatment. Disciplinary procedures are designed to insure due process (a fair hearing) before a student is removed because of his or her behavior.

Students are responsible for:

- Following teacher directions and obeying all school rules.
- Delivery of information to Parents/guardians about academics.
- Arrive on time and be prepared to participate in the educational program.
- Report any issue or problem that concerns your education or safety.
- Read and Understand the entire student handbook.

PARENTS RIGHTS AND RESPONSIBILITIES

- Parents have the right to know how their student is succeeding in school and will be provided information on a regular basis and as needed. *Many times, it will be the responsibility of the student to deliver that information.* If necessary, mail or hand delivery may be used to insure contact. Parents/guardians are encouraged to build a two-way link with their student's teachers and staff by informing the staff of suggestions or concerns that may help their student better accomplish his or her educational goals.
- Check Progress Book and attendance
- Communicate to teachers through email, phone or conferences
- Read and understand the entire student handbook
- Use the online portal to fill out forms, emergency medical and PaySchools to pay for lunches and fees.
- Parents may sign up for One call to receive notifications via, email, phone & text.

RIGHTS AND RESPONSIBILITIES

In public schools, parents and students have certain rights given by federal and state laws. The North Fork Board of Education adopts guidelines and policies based on the federal and state laws. Student safety is a responsibility of the students and staff. All staff members are familiar with emergency procedures such as fire, tornado, and lock-down drills as well as accident reporting procedures. Should a student be aware of a dangerous situation or accident, s/he must immediately notify a staff member.

EQUAL EDUCATIONAL OPPORTUNITY ACT (B.O.E POLICY 2260, 5517, 5517.01)

It is the policy of this district to provide an equal opportunity for all students. Any person who believes that the school or any staff person has discriminated against a student on the basis of race, color, creed, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the District, or social or economic background, has the right to file a complaint with the principal. Complaints will be investigated and a response provided to the person filing the complaint. Under no circumstances will the District threaten or retaliate against anyone who raises a complaint.

INDIVIDUALS WITH DISABILITIES

The Americans' with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act provide that no individual will be discriminated against on the basis of a disability. This protection applies not just to the student, but all individuals who have access to the District's programs and facilities. The North Fork Local School District provides a variety of Special Education programs and services for students identified as having a disability defined by the Individuals with Disabilities Education Improvement Act (IDEA). A student can access Special Education services through the proper evaluation and placement procedure. Parent/guardian involvement in this procedure is required. More importantly, the school wants the parent/guardian to be an active participant. To inquire about the procedure or programs, a parent/guardian should contact the Special Education Coordinator.

DIRECTORY INFORMATION NOTICE

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that North Fork Local Schools, with certain exceptions, obtain parental/guardian written consent prior to the disclosure of personally identifiable information from their student's education records. Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent/guardian's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local education agencies (LEAs) receiving assistance under the Elementary and Secondary Act of 1965 (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses, and telephones listings – unless parents/guardians have advised the LEA that they do not want their student's information disclosed without their prior written consent. If parents/guardians do not want North Fork Local Schools to disclose directory information from their student's education records without prior written consent, they must notify the District in writing.

DUE PROCESS

Before a student is suspended, the student has the right to Due Process by receiving written notice of the reason for the intended suspension and have an opportunity for an informal hearing.

Before a student is expelled, the student and the parents have the right of Due Process by receive written notice of the reason for the expulsion and an opportunity for a formal hearing.

In both instances, parents will be given the opportunity to challenge the disciplinary actions.

PARENT COMPLAINT

Parents wishing to file a complaint about a school employee may obtain a “parent complaint” form from the school office or on the District’s web site. After the form is completed and submitted to the building principal, the process of solving the complaint will begin. Before a complaint is filed, please try to resolve the issue with the teacher through communication.

VISITORS

All adult members of our community are welcome to visit the school. To avoid interruption of the educational process, students are **not** permitted to bring visitors to school. State law requires any person visiting the school to report directly to the office and secure a visitor’s pass. Teachers have an assigned period of time when conferences can take place. Any conference with teachers should be scheduled in advance. Parents/guardians must report directly to the office upon entering the building. 24-hour notices of classroom visits are preferred.

WITHDRAW OR TRANSFER

If a student plans to transfer from North Fork Local Schools, the parent must notify the guidance counselor or the secretary. School records shall be transferred within fourteen (14) days to the new school district.

STUDENT RECORDS

The teachers, counselors and administrative staff keep many student records. There are two basic kinds of records—directory information and confidential records. A confidential records request can be made available upon request from a parent, guardian or a Records Control Officer in writing within five (5) business days from the date of this notification. Confidential records contain educational and behavioral information that has restricted access based on the Family Education Rights and Privacy Act (FERPA) and Ohio law. This information can only be released with the written consent of the parents/guardian, the adult student, or a surrogate. Included in the confidential records may be test scores, psychological reports, behavioral data, disciplinary actions and communications with the family and outside service providers. The school must have the parents’/guardians’ written consent to obtain records from an outside professional or agency. Confidential information that is in a student’s record that originates from an outside professional or agency may be released to the parent/guardian through the originator and parents/guardians should keep copies of such records for their home file. Parents/guardians may also provide the school with copies of records made by non-school professional agencies or individuals. Students and parents have the right to review educational records generated by the school district, request amendment to these records, insert addendum to records, and obtain copies of such records. Copying costs may be charged to the requestor. If a review of records is wanted, please contact the counselor, in writing, stating the records desired. The records will be collected and an appointment will be made with the appropriate persons present to answer any questions there may be.

FIRE, TORNADO, AND LOCK-DOWN DRILLS

The school complies with all fire safety laws and will conduct drills in accordance with State law. Students will practice fire, tornado, and lock-down drills throughout the year. Students are expected to become familiar with each drill and observe the procedures developed. Evacuation procedures are posted in each classroom.

STUDENT HEALTH

IMMUNIZATIONS

Students attending school are required to have proof of immunizations against Meningitis, diphtheria, pertussis, tetanus, poliomyelitis, measles, mumps, rubella, hepatitis, chicken pox, tuberculosis testing (if enrolling from a foreign country), and any other immunization required by Ohio law and Board policy. Those students not providing proof of required immunizations or a signed written statement of parental religious objection within fourteen (14) calendar days of school attendance will be subject to exclusion. Any questions about exemptions or immunizations should be directed to the District Nurse.

INJURY/ILLNESS

Injuries must be reported to a staff member or the office staff. If minor, the student will be treated and may return to class. If medical attention beyond the school staff is required, the school emergency procedures will be followed. A student who becomes ill during the school day must request permission from the teacher to go to the office. The office staff or school nurse will determine whether or not the student should remain in school.

EMERGENCY MEDICAL AUTHORIZATION FORM

State law requires that all students must have a completed Emergency Medical Authorization Form signed by a parent/guardian on file in the school office. **Failure to turn in forms may result in the student being excluded from school within 14 days.** Notify the school if any telephone numbers, address or contacts have been added or changed during the school year. No student will be released from school without parental permission unless a serious or life-threatening condition warrants transportation to an emergency room. A reasonable attempt to contact the parent/guardian prior to transport will be made. If a parent/guardian is not present to ride with the student in the emergency vehicle, a school staff member will accompany the student and meet the parent/guardian at the hospital.

CONDITIONS THAT MAY REQUIRE EXCLUSION FROM SCHOOL

The Ohio Department of Health has provided specific guidelines for preventing the spread of highly contagious infections in the school environment. These guidelines are meant to protect your student and others from unnecessary exposure to infectious or communicable organisms. If these conditions are found or suspected by school staff, a parent/guardian will be contacted to take the student home. A student should not be in school if any of the following conditions are present:

- Any contagious bacterial or fungal infection until treated with antibiotics for at least 24 hours including, but not limited to, strep throat, conjunctivitis, ringworm, skin infections and scarlet fever.
- Fever of 100.4 degrees F or higher within 24 hours
- Undiagnosed redness and secretions from the eye(s)
- Vomiting or diarrhea within 24 hours
- Head lice

NO NIT POLICY

North Fork has a no nit policy which all buildings must follow, and requires the exclusion of all students with lice or nits. Families will be asked to treat lice and remove all nits before readmission to school. Parents will be asked to bring the child to the appropriate personal to be checked before returning to school.

USE OF MEDICATIONS

The North Fork Board of Education shall not be responsible for the diagnosis and treatment of student illnesses. The administration of prescribed medication and/or medically prescribed treatments to a student during school hours will be permitted only when authorized by a physician or licensed prescriber. **For the safety of our students, the transportation of all medication and medical supplies to and from school is the responsibility of the parent/guardian. Medication may not be transported on the bus. Any medication or medical equipment remaining at the end of the school year will be discarded one week after the last day of school.**

For the purposes of this policy, “prescribed medication” shall include all medicines prescribed by a physician or licensed prescriber. Non-prescription medications shall include all age and/or weight appropriate over-the-counter drugs, preparations, and/or remedies. “Treatment” refers both to the manner in which a medication is administered and to health-care procedures that require special training, such as tube feedings or catheterizations. Students must stay in office and take medication in the presence of a staff member.

PREScription MEDICATIONS

Before any prescription medication or treatment may be administered to any student during school hours, the North Fork Board of Education requires the student’s physician/licensed prescriber and parent/guardian to complete a Medication and Treatment Authorization Form. This form is to be renewed each school year. This document shall be kept on file in the school office. Prescription medication must be in the original container, labeled with the date, student’s name, prescriber’s name and exact dosage. Staff designated by the superintendent and or District Nurse may administer prescription medication or treatment as authorized in writing on the authorization form by a physician/licensed prescriber and parent/guardian. All prescription medications must be stored and locked in the school office. However, students shall be permitted to carry and use an asthma inhaler or Epi-Pen with prior written permission from parent/guardian and licensed prescriber as indicated on the Medication and Treatment Authorization form. All medications are to be provided by the parent/guardian and may not be transported on the bus.

NON-PREScriptions/OVER-THE-COUNTER MEDICATIONS

All medications must be provided by the parent/guardian and will be stored in the school office and administered by authorized school personnel or the child’s parent/guardian only. The North Fork Local School District does not supply medications. Non-prescription medications must be in the original container with the student’s name, current expiration date, dosing guidelines to validate appropriate dose for age and/or weight. Examples of non-prescription medications that may be stored and administered at school are: Tylenol, Motrin, Advil, Benadryl, Tums, Maalox, cold and cough medicines, and lactase products. All medications are to be provided by the parent/guardian and may not be transported on the bus. Any medication or medical equipment remaining at the end of the school year will be discarded one week after the last day of school.

HEALTH SCREENING PROGRAMS

The North Fork Local School District is continually concerned about the welfare and progress of children in the school. In an effort to consider your student’s educational needs, the school conducts a variety of health screenings under the supervision of the school health staff and the speech/language pathologist

to provide important information about each student. You will be notified if any of the screenings indicate problems or if there is a need for further medical advice. If you do not wish your student to participate in any of these screening programs, please contact the school immediately. The evaluations that may pertain to your student (age and/or need appropriate) are listed below:

- speech/language screening
- hearing screening
- vision screening
- postural screening

In addition to these screenings, the nurse and speech/language pathologist cooperate with students, teachers, parents, administrators, guidance counselors, community agencies, physicians and other pertinent professionals as deemed necessary.

MEDICAL CONCERNS

The school has a high concentration of people and therefore it is necessary to take specific measures to ensure health and safety of the group. The school's professional staff has the authority to remove or isolate a student who has been ill or has been exposed to a communicable disease (as defined by ODH per their guidelines). Students must be noncontagious and fever/vomiting free for 24 hours without medication before returning to school.

A medical history form must be filled out by every parent/guardian upon enrollment to the district for the purpose of identifying chronic, predictable health concerns, including allergies to foods or insects. Parents/guardians are responsible for updating this form immediately if changes occur with the student. Please notify the office staff and District Nurse of any health changes.

ATTENDANCE

The faculty and administration of the North Fork Local School District believe that regular school attendance is one of the best indicators of a student's academic success. Regardless of the reason for absence, each missed class interferes with a student's ability to master the skills necessary to be successful in school. It is the responsibility of the parent/guardian to ensure that their student maintain consistent, punctual, daily attendance.

ATTENDANCE POLICY

Attendance is taken at the beginning of each school day and reported directly to the office. Students are expected to be on time to school and classes.

EXCESSIVE ABSENCES (EXCUSED & UNEXCUSED COMBINED) (O.R.C 3321.191)

A parent or guardian will be notified if a student has **excessive absences** which are defined as:

- Student is absent 38 or more hours in one school month with or without a legitimate excuse.
- Student is absent 65 or more hours in one school year with or without a legitimate excuse.

HABITUAL TRUANCY (UNEXCUSED ABSENCES) (O.R.C 3321.191)

A parent or guardian will be notified if a student is habitual truant which is defined as:

- Student is absent 30 or more consecutive hours without a legitimate excuse.
- Student is absent 42 or more hours in one school month without a legitimate excuse.
- Student is absent 72 or more hours in one school year without legitimate excuse.

When a student becomes Habitually Truant the school will create an Absence Intervention Team. The team will include the student, parents, staff and the attendance office to create an Absence Intervention Plan. The student has 60 days to implement the plan. If the student does not make progress on the plan, as determined by the team, the attendance officer must file a complaint in the juvenile court against the student.

If at any time during the implementation of the plan, the student is absent without legitimate excuse 30 or more consecutive hours or 42 or more hours in one school month, the school must have the attendance officer file a complaint against the student.

EXCUSED ABSENCE WITH LEGITIMATE EXCUSE (O.R.C 3321.04)

The Ohio Revised Code states that every parent, guardian, or other person having charge of any school age child must send such child to a school. Such attendance must begin within the first week of the school term, or within one week of the date on which the child begins to reside in the district. As outlined in the ORC and Board Policy, the following are legitimate reasons for an excused absence from school:

1. Personal illness (a written physician's statement verifying the illness is required)
2. Illness in the family necessitating the presence of the child
3. Quarantine of the home
4. Death in the family
5. Work at home due to the absence or incapacity of a parent or guardian
6. Observance of a religious holiday
7. Medical or dental appointments (a written physician statement verifying the appointment is required)
8. Medically necessary leave (ordered by a doctor)
9. Emergency or set of circumstances the Superintendent constitutes as a good and sufficient cause for absence from school.

Absences from school for reasons other than those listed above will be considered unexcused.

NOTIFYING THE SCHOOL OF ABSENCES

Parents/Guardians should call the school when their student is absent. Please provide the student's name and reason for the absence. Parents may leave a message on voicemail if needed. Calling into the school does not count as a legitimate excuse. Students will be marked unexcused until a legitimate excuse is received.

1. Student's first & last name
2. Date of absence

Students entering school more than one-half hour after the school start time will be counted as an unexcused absence unless a legitimate excuse is provided to the office. In addition, students leaving more than one-half hour before the end of the school day will be counted as an unexcused absence unless a legitimate excuse is provided to the office.	Students are expected to be to school and in class on time. Students entering the building less than one-half hour after the school start time will be counted as unexcused tardy unless a legitimate excuse is provided. CLASS Teachers are to report to the office on a discipline report form any student who has been tardy to class two (2) times in a grading period. Tardiness Consequences: <ul style="list-style-type: none">○ 1st tardy- Teacher conference○ 2nd Tardy- DOS conference○ 3rd Tardy- DOS conference, call home, lunch detention○ 4th Tardy- DOS conference, call home, after school detention

Students returning to school after signing out must sign in at the Middle School office upon arrival.

Students arriving late for school must sign in at the Middle School office.

SCHOOL PROCEDURE FOR REPORTING ABSENCES TO PARENTS

If the school is not contacted by the parent/guardian prior to an absence, the school will make a reasonable attempt to contact the parent/guardian at home or work. Automated calls from our One Call System will go out around 10:00 am each day.

MISSED ASSIGNMENTS & MAKE-UP WORK

It is the responsibility of the student to arrange for and complete missed assignments due to absence. Students should either email their teachers during the absence or immediately upon return to school to make the necessary arrangements with their teachers for collecting and completing missed assignments. Students will be permitted one day for each excused absence day to turn in the assignments for full credit. If the student is absent on a day in which a test is given, the student will be responsible to take the test on the day they return or at the discretion of the teacher. ACADEMICS

COURSES & SCHEDULE

Schedules are provided to each student at the beginning of the school year or upon enrolling. The schedule is based upon the student's academic needs and available class space.

FIELD TRIPS

Field trips are academic activities that are held off school grounds. There are also other trips that are part of the co-curricular program. No student may participate in any school-approved trip without parent/guardian consent. Student Code of Conduct rules apply to all field trips. Parents/guardians have the right to deny participation. Any student not participating will be given schoolwork of an enrichment nature while the other students are gone.

GRADES & GRADE CARDS

Utica Middle School has a standard grading procedure, as well as additional notations that represent work in progress or incomplete work. The purpose of a grade is to indicate the extent to which the student has acquired the necessary learning. In general, students are assigned grades based upon test results, homework, projects and classroom participation. Each teacher may place a different emphasis on these areas in determining a grade and will so inform the students at the beginning of the course work. If a student is not sure how his/her grade will be determined, s/he should ask the teacher. The school uses the following grading system:

A 90-100

B 80-89

C 70-79

D 60-69

F 59 and below

All grades are used in calculating the final grade. These include four nine-week grades and semester/final examinations if given. Grades will be recorded in the grade book as letter grades. All grades will be averaged from the student's recorded letter grades. Teachers/Administration may use a modified grading scale for individual basis.

HOMEWORK

Homework will be assigned to reinforce skills learned in school and to develop responsibility in completing tasks. Homework can be defined as unfinished classwork, long term projects, weekly review sheets, studying for tests, quizzes, math facts, etc. Each teacher will communicate their Homework Expectation Policy in the classroom and posted on their website. Parents/guardians should check the student's assigned/graded work in Progress Book. A student is allowed an amount of time equivalent to the time of absence to make-up assignments.

ELIGIBILITY (ATHLETIC HANDBOOK)

FOR STUDENTS ENROLLED IN GRADES 7 & 8:

A student enrolling in the seventh grade for the first time will be eligible for the first grading period regardless of previous academic achievement. Thereafter, in order to be eligible, a student in grade 7 or 8 must have received passing grades in a minimum of four ~~five~~ subjects in the preceding grading period in which the student was enrolled AND can't have 2 F's in the grading period.

All PARTICIPANTS

Will have their scholastic eligibility checked at the midterm each 9 weeks. Students may be placed on Academic Probation for 1 week if they meet any of the following conditions: 1. The student is not passing 5 classes. 2. The student has at least 1 F in a core class. The student must be passing 5 classes AND have Zero F's in core classes by the end of the 1-week probation period to remain eligible. If the student is still not passing 5 classes AND is still failing a core class at the end of the probation period they will become ineligible for 1-week periods until they meet the requirements.

Eligibility requirements are clearly defined in the Ohio High School Athletic Association Constitution and Bylaws. Ultimately, the understanding of and acknowledgement to meet all eligibility requirements falls upon the student-athlete and his/her parent/guardian.

PARENT/TEACHER CONFERENCES

Utica Middle School will hold Parent/Teacher conferences on specific dates throughout the year. Please check the school website for dates and scheduling instructions of Parent/Teacher conferences. These occasions are meant to help open the lines of communication between parents/guardians and teachers. If additional time or conferences are needed, arrangements may be made through the teacher or by contacting the office.

PROGRESS REPORTS/REPORT CARDS

Progress reports are printed and sent home with all students half way through the grading period. Report cards will be issued after each nine weeks of instruction and can be found on Progress Book. Please contact the school secretary for a paper copy. Parents/guardians have on-going access to their student's academic progress through Progress Book. Contact the middle school office for information on how to receive login information.

INCOMPLETE ON REPORT CARD

Student who are absent or suspended at the end of the grading period, may receive an incomplete. Follow the absence policy for allotment of time. Incomplete work not made up within this time may result in a failing mark being recorded.

PROMOTION, RETENTION, PLACEMENT

In making decisions concerning proper grade level assignment (**retention and promotion**) the following areas will be taken into consideration in grades 6-8:

- student's academic progress
- developmental age of the student
- social and emotional well-being of the student
- attendance of the previous year
- test results

In cases of **retention**, the parent/guardian will be contacted in advance, although the final decision will rest with the principal, with an appeal to the superintendent. Retention is viewed as another opportunity for growth at a particular level.

Placement in the next grade may be noted on record rather than promotion if a student's work continues to be unsatisfactory after retention.

STUDENT ASSESSMENT

To measure student progress, students will be tested in accordance with the Ohio State Standards and District policy. Unless exempt, each student will be expected to pass the appropriate state-mandated achievement assessment. Additional group tests are given to students to monitor progress and determine educational mastery levels. These tests are used to help the staff determine instructional needs.

SCHOOL COUNSELOR SERVICES

A school counselor is available to talk with individuals or small groups about their academic, personal or social concerns. As the counselor assists students in discussing emotions, sorting out difficulties, problems, and exploring options, it may help the student to understand the steps to decision-making or the problem-solving model. Referring the student for additional resources will be made as necessary. Other opportunities for the learning of important information to assist students may include classroom visits, where such topics may be covered: Study and Organizational Skills, Communication Skills, Problem-Solving, Decision-Making, Stress Management/Test Anxiety, Career and Educational Planning, and Conflict Resolution. STUDENT CONDUCT

At Utica Middle School we develop and enhance respectful behavior while protecting and nurturing the physical, social, mental, and emotional growth of our students. Discipline policies and procedures recognize the inherent dignity and rights of each individual. When a student deviates from the standard expected behavior, disciplinary action will be taken. Consequences are designed to help change behavior and guide the student in making more appropriate decisions in the future. Infractions may result in parent conferences, compensatory payment of damages, detentions, alternative (Saturday) school, in-school suspension, out of school suspension, and/or recommendation for expulsion. Failure to serve the assigned consequences will result in further discipline. The principal reserves the right to deviate from the order of discipline.

DRESS CODE

Although the major responsibility for good grooming rests in the home with each student and his/her parents, the school has certain concerns based on considerations of health, safety, and the maintaining of a positive school atmosphere. When attire becomes extreme or, in the opinion of the professional staff of the school, violates health or safety regulations, or violates commonly accepted standards of modesty, such appearance is **not** acceptable. The Dress Code applies to all students, grades 6-8, enrolled in the North Fork Local School District including school sponsored events.

Clothing:

1. Student clothing must include both a top and bottom or equivalent.
2. Clothing fabric must not be see-through. Clothing must completely cover all private parts and tops must be long enough to fully cover the belly button.

Shoes:

1. Shoes must be worn at all times.
2. No wheels

Other:

1. Hats, bandanas, and hoods are not to be worn inside the school, unless approved by administration. These items will be sent to office and students will be able to pick up at the end of the day the first time. The second time a hat/hooded sweatshirt or other unapproved items are brought to the office a parent will be called. The third time a parent will have to come in and pick up the unapproved item.

BULLYING (O. R. C. 3313)

Ohio law defines bullying as harassment and intimidation in Ohio schools as any intentional written, verbal, graphic, or physical act that a student or group of students exhibits toward another particular student more than once (repeatedly), and the behavior both:

- Causes mental or physical harm to the other student;
- Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

Harassment, intimidation, or bullying also means electronically transmitted acts (i.e., internet, e-mail, cellular telephone, personal digital assistance (PDA), or wireless hand-held device) that a student or a group of students exhibits toward another particular student more than once, and the behavior both causes mental and physical harm to the other student, and is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other student.

Aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well-being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyberbullying, intimidating, menacing, coercion, name calling, taunting, making threats, and hazing.

Facts to know about bullying:

- Bullying is disrespectful and can be dangerous, humiliating and life threatening.
- Bullying on the basis of race, ethnicity, religion, disability or sexual orientation is a form of bias or hate and should not be dismissed as teasing.
- Bullying behavior that continues into adulthood may turn into violent behavior toward strangers, friends and family.

Questions Administrators ask:

1. Is the act intentional?
2. Did the act occur more than once?
3. Did both parties actively participate?
4. Did the act cause mental or physical harm?
5. Is the act severe, persistent, or pervasive (spreading) which creates an abusive educational environment?
6. Did the repeated act have a negative impact on the educational, physical, or emotional well-being of the other student?

Actions taken:

1. Did an investigation take place to any written or verbal reported cases of bullying?
2. Document the incident in writing
3. Were remedial or disciplinary steps put in place to eliminate any verified act of bullying or harassment?
4. Keeping confidentiality and FERPA in mind -were the parents notified of the investigation, students involved, and outcome?

How can parents/guardians help prevent bullying?

Parents/guardians are their children's first teachers. Whatever parents/guardians say and do at home, their children are likely to imitate and repeat in other settings. The most important skills that parents/guardians can teach their children are to speak and act in respectful ways and to solve problems fairly and peacefully. Here are suggestions to help parents/guardians teach by example:

At Home:

- Talk with children often and listen carefully to what they have to say.
- Discuss bullying behavior and how hurtful it can be to others.
- Make behavioral expectations clear and be consistent with discipline when siblings and peers engage in hurtful teasing and bullying.
- Help children understand the meaning of friendship by modeling friendly behavior.
- Discuss the fact that all people deserve respect, even though their individual characteristics and personalities may differ from the expected.
- Urge children to tell an adult when they are being bullied.

At School:

- Learn the school rules, expected behavior and consequences of bullying.
- Participate at school, offer services and attend school-sponsored activities.
- Communicate regularly with your child's teachers.
- Report bullying behavior immediately when you become aware that it is happening.
- Ask for and accept the school's help if your child is a target, a bully or a bystander.

NON-DISCRIMINATION

In accordance with federal and state laws and regulations and Board policies, any student or parent of a student who believes that the student has been discriminated against based upon race, sex, sexual orientation, religion, national origin, age, gender identity or expression, ancestry, familial status, military status or disability, may bring forward an informal or formal complaint to the building administrator. Whenever possible and practical, an informal solution to the alleged complaint is encouraged and should be attempted. If an acceptable informal solution cannot be attained, formal complaint procedures shall be followed as set forth in Board policy.

Unannounced and random canine searches may also be conducted.*** *Note.
