

## **COURSE DESCRIPTIONS**

### **KINDERGARTEN COURSES**

#### **English Language Arts - Grade K (36 Lessons)**

The student will engage in a series of integrated exploratory and assessment activities that target the alphabet, concepts of print, active listening, and address the concepts of rhyme, rhythm, pattern, and syllables.

#### **Math - Grade K (36 Lessons)**

The student will recognize likenesses and differences between pairs of items. The student will sort objects by appearance (e.g., color, size, and shape), recognize items that are the same and different, and extend and identify a repeating pattern. The student will sort representations of living things by appearance, create items with given attributes, and recognize one-to-one correspondence.

#### **Social Studies - Grade K (36 Lessons)**

Social Studies brings topics to life illustrating their relevance to today's students in a way that is engaging and interactive. This course utilizes the following: maps, charts, graphs, quotations, and dialogue.

#### **Science - Grade K (36 Lessons)**

Science for primary grades gives students an interactive and engaging way to build scientific core knowledge and tie academic content to real-world exploration and application. This course utilizes: engaging activities in physics, chemistry, biology, and earth science; addresses science theory, principles, concepts, and real-world applications; and teaches students how to gather, organize, and interpret data.
